Burney Slack Is Named As County Judge

BURNEY SLACK

Burney Slack has been appointed County Judge of Randall county to fill out the unexpired term of the late A. H. Hunt, who died Thursday evening. Mr. Slack will serve out the unexpired term until January 1, 1949.

Judge Slack has served for three terms in this office and was appointed by the Commissioners Court last fall during the illness of Judge Hunt. He is well acquainted with the duties of the office due to his long experience as county judge.

Judge Slack announced in January as a candidate for the office.

Canyon P. T. A. Observes Brotherhood Week

In observance of American Brotherhood Week, being stressed this month by Parent-Teacher Associations all over the nation, the local unit met Thursday, March 18, in the High School Auditorium.

As a special feature, Mrs. W. E. Miller program chairman, introduced the High School Sextette who sang "Love and Grow," a composition by Mrs. Lee Foster and Mrs. Glenn Truax. Members of the sextette are Barbara McDougal, Betty Jean Schuette, Sara Jane Martin, Betty Thompson, Donna Erwin and Merle Bullard.

To emphasize the urgent need of "Brotherhood," the sound film, "Atomic Power" was shown to the group followed by a panel discussion on "World Understanding" by the P. T. A. Study Group. Mrs. R. A. Neblett, study course chairman, stated: "It is our responsibility to watch for the Weeds of Intolerence, Prejudice, Hatred and Ignorance," and introduced the members of the group who gave a discussion of each topic. They were Mrs. A. H. Prichard, Mrs. Gene Root, Mrs. Ben E. Bolman and Mrs. A. B. Holt.

During the business meeting, presided over by the president, Mrs. J. D. Barker, a nominating committee was appointed with Superintendent E. A. Wooten, chairman, and Mrs. Lee Foster and Mrs. E. J. Cundiff members.

The attendance award was won by Mrs. T. W. Collins' first grade and Mrs. R. E. Ball's seventh grade.

Easter Program Friday by Five Local Churches

Canyon pastors have arranged a Pre-Easter service which will be held Friday, March 26 at 7:30 at the Methodist Church. The service will be called "The Last Week," and will present the story of the last week in the life of Christ before his death on the cross.

The service will begin with a congregational song and prayer. Members of the chorus from all churches will sing under the direction of Glenn Truax.

The scriptures will all be from the gospel according to John, and will be read in sections by the local pastors, Benjamin E. Bollman, Weems Dykes, Roy L. Johnson, W. J. Phelps, and Hubert Thomson, with appropriate music between the readings.

This is a unique service and nothing just like it has ever been held in Canyon, so far as the pastors know, and it is hoped the community will like this plan enough to give good attendance to the service which is expected to last a hour and a half. There will be no sermon—only Scripture, song and prayer.

Sidney Burgess Is Working on M. A. Degree in Colorado

Sidney Burgess has a leave of ebsence from West Texas State to complete his Masters Degree at the University of Colorado. He is in the Manual training department.

Guy Tabor is substituting for Burgess.

Mrs. Eva Morton visited in Lubbock Sunday.

One Absentee Vote Is Cast City Election

Only one absentee vote has been cast in the city election, which will be held on April 6.

Citizens who know that they will be out of Canyon on April 6 are urged to vote before they leave town.

Those who are away may write for a ballot.

The last day on which absentee voting will be possible is Friday, April 2.

Little interest has been shown in the coming city election so far, according to talk that you hear on the streets. But it is hoped that there will be a large vote on April 6.

The names of two candidates for mayor are printed on the official ballots. These are: W. A. Warren, candidate for re-election; and O. T. Carruth.

Two candidates for commissioners are to be elected, and the names of G. A. Farlow, for re-election, and Lee Johnson are printed on the official bollots.

Young People Will Hold Sunrise Service Easter Morn

Young people of the community will gather at the Methodist Church Sunday morning at 6:30 o'clock for a sunrise service.

The service will be over the loud speaker at the church and may be heard for many blocks if the weather is favorable.

Citizens of Canyon are asked to bring Easter lilies to the service. The flowers will be removed following the service.

Easter Art Show Now on Display

Original art objects commemorating the Easter Season are on display at the Museum.

These original art objects commemorating the Easter Season are dedicated to the memory of Mary E. Hudspeth, one time professor of Spanish and head of the Department of Foreign Languages.

This religious art display is under the auspices of the Music Arts Club of Canyon.

Perhaps one of the outstanding pictures first noticed is "The Mission," by F. P. Sauerweir, belonging to the Hamlin collection, part of which is on display in the museum. Another outstanding picture is an old original oil painting "The Eternal Father," loaned by Mrs. H. A. Brown.

A wood carving copy of the mural by Leonardo da Vinci, "The Last Supper," is outstanding even to the most minute detail. The carving was done by an outstanding Aztec wood carver in Mexico under direction of the Spanish artist, De Luna. It also belongs to Mrs. Brown.

Other original paintings commemorating the Easter Season are by Alexander Watson Mack, loaned by Mr. Mack. Paintings by Alicia Bustamenta, Peruvian artist, are loaned by Ples Harper.

Original water color paintings by Marie Fronabarger are loaned by Miss Fronabarger. An engraving entitled "Our Saviour" thought to be the original, is loaned by Mrs. Glenn Truax.

Also on display is a case containing religious objects loaned by Isabel Robinson and Ples Harper.

Junior Livestock Show Association Organized Friday

Friday night organization of a Junior Livestock Association was completed at the Canyon high school.

Between 75 and 100 business men, professional men, F. F. A. and 4-H cub boys were present at the meeting.

The purpose of the organization is to sponsor the 4-H club and F. F. A. Junior Livestock show.

Directors of the association elected were: Clay Cooper, Roy Byrd, Jr., George Schaeffer, Louie Weick, Bob Bellah, Jack Haley, Bailie McCormick, Grady Persons, L. D. Winn, Harley Burrus, Glen Dowlen, Lonnie Byars, E. M. Myers, E. R. Cleavinger, Worth Jennings, J. O. Parker, C. L. Thompson, W. T. Oliver, Ross Craig, Milton Morris and Buddy Taylor.

Stork Specials

Born to Mr. and Mrs. T. C. Westfall a son on March 24.

Announcements have been received of the birth of a daughter to Mr. and Mrs. L. R. Blevins at Sacramento Calif. Mrs. Blevins will be remembered as the former Lillian Chambers Brown, a former employee of the News.

Red Cross Drive To Close This Week; Still Short

The drive for funds for the Red Cross will close this week. To-date about $750 of the $2,000 quota has been donated.

If you have not made your donation, leave that contribution with Levi Cole at the First National Bank. There will be no house to house canvas made according to Mrs. C. O. Elkins, chairman of the drive.

John E. Williams Died Monday at Age of 89 Years

John Evert Williams died Monday morning at the home of a relative, Mrs. Ruth Williams. He was a bachelor and had lived in Canyon for 5 years.

The body was taken home Monday afternoon to Shattuck, Okla., for interment.

Four nephews and two nieces survive: George Williams of Shattuck; Clarence Williams of Canadian; Wilson Williams of Bethany, Okla.; Robert Williams of Oklahoma City; Mrs. Horace Carmiachael of Yukon, Okla.; Mrs. Merle Gregory of Edmonds, Okla.

Farm Bureau Asks For Water Survey County

The annual election of officers for the Randall County Farm Bureau was held in the Court House Thursday, March 18. The following officers were elected to serve for one year:

G. E. Wesley, President.
M. L. Davis, Vice President.
W. H. Upchurch, Secretary.

Two additional members were elected to serve with the above officers on the Executive Committee. These were A. E. Wise and Clarence Beckman.

County officers of the Farm Bureau are elected each year by the Board of Directors. The board members are elected by the various communities.

At the meeting last Thursday two members of the Water Conservation Committee, M. L. Davis and Clarence Beckman, were instructed to attend a meeting of the High Plains Water Conservation Association at Plainview, Saturday, March 20.

The County Group adopted a resolution asking the State Board of Water Engineers and the U. S. Geological survey to make a detailed study of the water resources in the Amarillo Area. It is hoped that such a study would result in better development and use of all the water available in the area.

School Census To End at the Close of March

The 1948 scholastic census will end on March 31.

This is the annual count of children of scholastic age in each school district in Texas. The scholastic apportionment is based upon this census.

If the census is accurate, for instance, the Canyon Independent School District will receive $55 in state apportionment for each child registered in the district. If any of the children of scholastic age are missed, it simply means the loss of $55 for the school district.

Citizens of each school district are urged to be careful and see to it that all children of scholastic age are registered.

S. B. Orton is taking the scholastic census in Canyon, while the trustees in the various school districts will take the census in the common school districts.

E. H. Breitling Burned Monday

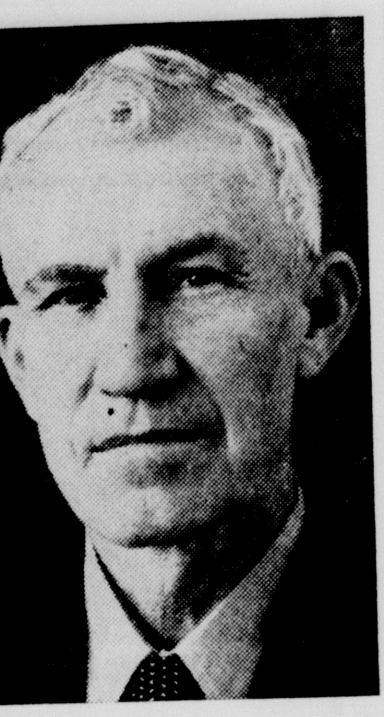
Mr. and Mrs. J. M. Breitling were called to Hereford Monday night to the bedside of their son, Herbert, who was severely burned when a Butane brooder exploded.

Mr. Breitling is in a critical condition. His head and upper part of his body are most severely burned.

Mr. and Mrs. J. B. Watson and daughter of Floydada spent the week end visiting with his sisters, Mrs. J. A Edwards and Mrs. Mitchell Jones and their families.

Mrs. E. Gidden spent last week in Canadian visiting with her daughter, Miss Sibyl Gidden, who is County Demonstration Agent there.

Judge A. H. Hunt Died Thursday, Short Illness



JUDGE A. H. HUNT

Judge A. H. Hunt died Thursday night at 8 o'clock following a heart attack on Monday. He had been in the hospital since that time, and unconscious most of the time.

Judge Hunt was one of the best known men in the county, which he had served for six years as County Judge. Before entering the office he had been in the grocery business. During his 20 years as a resident of Randall county he had commanded the respect of all citizens who had come in contact with him.

The funeral services were attended Saturday afternoon by hundreds of friends who had known Judge Hunt personally and had been served well by him during his residence in the county.

He had been a member of the Methodist Church. The funeral was in charge of the pastor, Rev. Hubert Thomson. Interment was in Dreamland Cemetery in charge of the Griggs-Warren Funeral Home.

Active pall bearers were L. S. Johnston, A. B. Holt, Clarence Beckman, M. E. Cantrell, Burch Campbell, Tom Lair.

Honorary pall bearers were: D. S. Hill, A. J. Koch, B. F. Machen, Joe H. Thompson, J. M. Breitling, R. M. Allred, G. B. Heath, John Guthrie, S. B. Orton, J. D. Barker, J. J. Walker, G. B. Bourland, Burney Slack, Sam Bond, H. E. Shahan, M. M. Morris.

Judge Hunt was born in Denton county on October 1, 1872. The family lived in Wheeler county for many years before moving to Canyon.

Judge Hunt became seriously ill during the early winter and was unable to come to his office. For several months Mrs. Hunt has been confined to her home, and had been taken to the hospital on Saturday before Mr. Hunt was stricken.

Survivors are: Mrs. Mary E. Hunt, the wife; six sons, T. H. Hunt of East Vaughan, N. M., A. E. Hunt of Portales, D. A. Hunt of Pampa, H. L. Hunt of Dallas, N. M. Hunt of Amarillo, M. G. Hunt of Portales; one daughter, Mrs. Lonnie H. Garrison of Clovis; one sister, Mrs. Dirk Bussey of Reilly Springs, Texas.

The court house was closed Saturday in memory of Judge Hunt, and business in Canyon was suspended during the funeral.

Funeral For James Harold Lindemann Held at Umbarger

James Harold Lindemann, 26, died Monday at the Veterans Hospital in Amarillo following a brief illness.

During the war he was a paratrooper in the army and suffered severe injuries while in training in Georgia. A military funeral honored the young man Wednesday morning at St. Mary's Church in Umbarger. Representatives from the various branches of the service assisted in the funeral.

Survivors are his mother, Mrs. Aline Lindemann; two brothers, Andrew and Carrol; three sisters, Ana Georgia and Sister Mary Bertelius; a half sister, Thelma Kemp.

Interment was in the Umbarger Cemetery in charge of the Griggs-Warren Funeral Home.

Methodist Chimes Are Being Played Daily 7:00 p. m.

In keeping with the spirit of Easter, the chimes at the Methodist Church are being played at 7 o'clock every evening.

The Music-Arts Club sponsors the music for each evening this week.

MARRIAGE LICENSES

Garland H. Holt to Mary E. Little, March 12.

T. D. Light to Marie Bishop, March 15.

V. F. W. Officers Elected For Year 1948-49

At a regular meeting of the Veteran of Foreign Wars on Wednesday night March 17 officers for the year 1948-49 were elected.

Installation of these new officers will be held April 17.

Officers elected were: Commander, Felix Pierce ;senior vice commander, Marshall Rockwell; junior vice commander, Tony Rossi; quartermaster, T. S. Stevenson, Jr.; post advocate, Bill Money; chaplain, Roy Price; surgeon, Dr. W. J. Wooten, Jr.; 3 year trustee, Bill Patke.

Tulia Man Draws Fines on Three Court Charges

Donald Love of Tulia was arrested Thursday when he ran the red light at the intersection of Highway 87 and Fourth Avenue. Sheriff M. E. Cantrell arrested him. His car was found to be defective in brakes. He had three cases of beer in his car.

He was fined $50 and costs, and his driver's license suspended for six months.

Love is in jail having failed to pay the fine.

Jury of View Found Damages In Water Lines

After hearing evidence for a week, the Randall county jury of view awarded damages to land owners in the northwest part of the county Monday afternoon. The jury was composed of W. E. Bennett, Wilson Campbell and Hosea Foster.

The city of Amarillo had offered the land owners damages in the amount of $2.50 per rod. The jury gave the land owners damages approximating $12.87 per rod.

The jury in Potter county had agreed upon $7.50 per rod.

The total damages found by the Randall county jury amounted to $22,990.42. The award was based upon permanent damage to the land, damage to the present crop and tenants' interest in the present crop. Land owners and tenants had asked for damages amounting to $86,000.

In the closing statement before the jury Friday, Tim O'Brien, manager of the Bush estate, denied that he had ever offered to sell water to Amarillo from Wells on the Bush lands. He claimed that such irrigation wells would be of permanent damage to the other farmers in that section. He charged that Amarillo officials had threatened to put down as many wells as they pleased on the 1,000 acres which the city owned. He believed that every consideration should be given to the land owners, and not to the city which was selling water at a profit.

Testimony of Col. Spence of the Texas Water Board was quoted as advising Amarillo to go northeast of Amarillo for its water supply and not to interfer with farm irrigation in the territory that was now being tapped.

Mayor Lawrence Hagy was quoted as having said that there was ample water in the Randall county sector to last Amarillo for 800 years. This was denied by O'Brien, and others who have studied that water location.

Whether Amarillo will accept the findings of the Randall county Jury without appeal has not been announced.

Car Prowlers Caught in Chase

Two men were arrested Wednesday night as they sought to evade six college boys who gave chase when the men were discovered going through cars at Stafford Hall.

When the boys drove up to the Hall, the men jumped into two cars and fled, the boys in hot pursuit.

Jsut south of Amarillo a highway patrol car was parked, and the boys signalled for aid. The fleeing cars were soon overtaken.

A woman who was with the men came to Canyon Thursday and disclosed the stuff which had been taken from the cars. Some of it was thrown from the fleeing cars, and was recovered by Sheriff M. E. Cantrell by the aid given by the woman.

Charges were filed against Clarence E. Elward and Horace T. Pickins of Amarillo for having no drivers' licenses; another charge for speeding; another for theft. The two men were fined $100 and costs. They are held in jail, having failed to pay their fines.

No charge was filed against the woman.

Help Keep Canyon Clean!

Parent Teachers Association Has Made Recommendations to School Board For More School Facilities

An Open letter to the Editor:

The Canyon Parent Teacher's Association would like to call to the attention of the public the most urgent needs of the public school plant.

The present high school building was built in 1923 and was sufficient at that time, but due to the increase in enrollment since then, and the broader curriculum, it has not been adequate in the past 10 years.

The crowded condition in the high school is serious.

The cafeteria, set up four years ago during war time emergency in a temporary location with temporary faculties, is in a small 20 x 20 room on the third floor. Most of the children are served outside on tables in the 3rd floor hall. Our small children have to go, regardless of weather conditions, to the north building, labor up three flights of stairs and start eating at 11:30, while classes are going on in the adjoining class rooms. The noise is distracting in spite of the fact that the children are as quiet as possible.

There are not enough class rooms for the Junior and Senior High students.

The Vocational Agricultural Department has only one small class room, which of course can not be used for farm engineering training, nor as an Agriculture laboratory. This makes it impossible to use the many thousand dollars worth of tools and electrical equipment, contributed by the government from surplus war property and which is at present in storage.

The band and choral groups have no permanent, well-lighted place with good acoustics. Their present use of the auditorium for work is disturbing throughout the building.

The Manual Training Department is equipped to accomodate only 12 boys at a time, and again, the noise is distracting.

There are not enough lockers. Two and sometimes three children have to use each one for storing their books and wraps.

The rest rooms are deplorable. There is no teacher's rest room. The girls who play basketball and other sports, dress in the lower hall.

Equipment for boy's basketball and football must be kept in a too small, unventilated dressing room.

Recent tests show that the class rooms fall far short of the minimum lighting requirement for good health. Is is recomended by engineer that there should be at least 50 foot candles of light. Most of the children are studying with less than 5 foot candles even when they are located directly beneath present light fixtures or sitting near the windows.

Mr. Editor, we also understand the Government has contributed a 95% equity in three good government hospital buildings to this school district. Can not some plan be adopted to move these buildings in, and properly equip them to relieve a big part of these crowded conditions?

Mr. Editor, in the light of the studies that have been made and have reflected these serious conditions, the Parent Teacher's Association resolved at its last meeting to formally request the Board of Education to take immediate steps toward planning an improvement program which will adequately meet these urgent needs, and we as an organization resolved to support such a program to the fullest extent.

Mr. Editor, this is not meant as a criticism of, nor to dictate to, the Board of Education, but is a statement of true facts as we see them in our school set-up.

Signed Canyon P. T. A.

Two Candidates Filed Places on School Board

The names of two candidates for school trustee were filed Tuesday upon petition of friends.

The names submitted were Mrs. Ed Harrell and J. W. Spences.

Both of the candidates are vitally interested in the schools, and patrons are greatly pleased that they have agreed to accept, if elected on April 3.

Mrs. Harrell is a pioneer resident of Canyon. Her son, Newton Harrell, is a member of the Board of Regents of State Teachers Colleges.

Mr. Spencer is president of the school board. He did not seek reelection but was willing to serve upon the request of the patrons.

Citizens in the Canyon Independent School District are urged to go to the polls on April 3 and cast a vote of confidence in the trustees.

If Mrs. Harrell is elected, the school board will have two women serving in this capacity. Mrs. Dan Sanders has been a member and secretary of the board for the past two years.

MRS. LOCKHART VISITS SON

Mrs. W. E. Lockhart spent from March 6 to 16 with Dr. William Lockhart in Galveston where he was taking a post graduate course in the University of Texas Medical School. She then returned to Alpine with Dr. Lockhart and visited there until Sunday when Col. Vincent Lockhart of Canadian met her and brought her home to Canyon.

W. H. Upchurch is in Waco attending a meeting of the Texas Farm Bureau.

The Leroy Lowry family spent Friday night in the parental R. D. Lowry home.

C. Y. Johnson Is Candidate Office Commissioner 4

CHARLES Y. JOHNSON

Promising a sound business administration of all county affairs, Charles Y. Johnson, business man and resident of Randall county for the past 12 years, announces his candidacy for Randall county commissioner, Precinct No. 4.

He is offering for commissioner in the precinct which is the northeastern section of the county and which includes South Amarillo below 29th street.

He has made his home at 3603 Polk and has lived in Randall county 12 years, during which time he has been in the service station business at 36th and Harrison. He is a 32nd degree mason and active in civic affairs. He has one son, 12 years old, in Elizabeth Nixson Junior High School.

Johnson was born and reared in Donley county and came to Amarillo shortly after graduating from public school. He was with Magnolia Petroleum Company in Amarillo for some time before deciding to go into business for himself, at which time he purchased the business at 36th and Harrison and bought a home on South Polk.

"Being both a resident and a tax payer of Randall County," he said, "and having been in business in Randall County for the past 12 years, I feel that I am in position to serve all the people of the precinct and the county as well. I believe in economy in public affairs the same as in private business, and believe that all county problems should be analyzed and handled in the same manner that a person would handle his own business.

"I believe in the taxpayers getting full value for every dollar expended, and I pledge to the voters a strict accounting of all expenditures and a program of economy consistent with good, sound business. I believe that all taxpayers and citizens should be treated fairly and impartially in all public affairs, and if elected commissioner from Precinct 4, it would be my desire to give every co-operation to the other commissioners and to all county officials to the end that Randall County will have harmony, progress, and sound administration in all the county's business," stated Mr. Johnson.

ATTENDS REBEKAH MEET

Mrs. W. I. Wester has returned from Houston where she attended the 108th Annual Convention of the Odd Fellows Grand Lodge of Texas and the 84th Rebekah Assembly of Texas.

Mrs. Wester was delegate to the Assembly from the Canyon Rebekah Lodge.

Editorials

IS IT WAR?

American people are worried. They have been fearful of war with Russia for a long time.

The speech of President Truman last Wednesday did not quiet the nerves of the citizens. The President spoke fighting words.

As we heard these words the thought occurred that unless Congress was willing to go along with the President and pass legislation along the lines he advocated, whether right or wrong, that the United States will be the laughing stock among nations, and Joe Stalin will have won a great moral victory.

Perhaps Stalin is planning just this thing. Stalin realizes that America fell down on our obligations following World War I.

We have not done much toward improving world conditions since World War II. We insisted upon the right of veto, thinking that the other nations might gang up on us. But Russia has used the veto to block the plans of the Democracies.

No doubt there are many in Moscow who read history. Russia knows how Hitler bluffed the Democratic nations. Russia knows that if the Allies of the last war had said "NO" to Hitler when his hordes took the first steps toward aggression that World War II might have been averted, or at least postponed. But Chamberlain extended the olive branch; Hitler said he was through; but continued his aggressive policy.

What have we done since we whipped our enemies in World War II?

We left huge stores of war supplies in every part of the World, where they might be studied or utilized by the Communists.

We rushed our men home as soon as possible.

We discharged our troops as fast as we could.

We threw vast stores and supplies and war plants on the market at bargain prices.

We told the world that all was well, and that America would continue to be a peaceful nation.

All of this was done by the Truman administration. Some one, or the entire administration failed to read the history books.

When the mistakes of this war are written, they will not be all centered around Pearl Harbor. The vital ones have been made since the invasion of Berlin by the Russians. Our troops stood to one side in order that Russia might have the honor of invading Berlin.

There is no doubt about the ability of the Russian soldier and the accomplishments of the Russian hordes—due to the materials which we gave to the Russians. Even after Stalin started to extract huge tolls from America, we continued shipping him more vital goods than we were furnishing our Allies in Western Europe. Why? Ask Truman. No one outside the administration seems to be able to guess why we have been such dunces.

We say that we are against Communism. Are we? What about China? In that sad nation the Communists are whipping their friends with the Russian inspired Commies. What are we doing? Nothing. What has Russia been doing? Furnishing the Commies arms, and trained military men.

Are we against Communism? Why in heaven's name haven't we done something for China? The administration has even opposed making a loan to China.

The situation is as clear as mud.

One thing is sure and certain: If Truman means what he says, he must be backed up by Congress, or America will become the laughing stock of the world.

We have called Russia's bluff—if it is a bluff.

We are now going to be forced to back up this bluff, or suffer the dire consequences of war.

America does not want war. We cannot afford another war, either in the lives that it will cost, or the waste of resources which go into war materials. If another war comes, we shall be bankrupt in spiritual, material and social attainments..

If Truman means what he says now, he should have spoken those words months ago before Russia got such a hold on the resources of Europe.

Frankly we are of the opinion that there will not be a war in the near future. But in the meanwhile America will live in dread of the consequences of war, should one suddenly come to our shores.

The tragic thing is that this war scare is being developed in political circles and for political reasons.

Any politician who used the war for his own benefit is a traitor to his country and should be handled as any other common traitor who would sell the lives of thousands of young men and waste millions of dollars of needed resources of this nation in order to gain for himself some political glory.

We are living in a tragic day — one that we hoped we should never see again.

Every year Red Cross Roll Call Chairmen from Randall county try to convince headquarters that Randall county does not have the population with which we are credited. But Red Cross seem to think that the 3,000 or more people living in South Amarillo should make their payments in Randall, instead of Potter county. Therefore the quota for Randall county is over and above counties where most of the people do their business in their county seat. With a quota of $2,000 this year, Randall county is on a par with counties of twice its actual population, so far as giving is concerned. Yet, the people of Randall county give when they are convinced of a real need.

We have heard some very good reports from George Peddy, candidate for United States Senator from Texas. He has issued a beautifully printed broadcast, which cost a lot of money. Peddy is making a lot of political promises. In the meanwhile Pappy O'Daniel remains mum (or was mum when this was written). Coke Stevenson is making a careful campaign, avoiding promises of political antics which might improve his standing with the people. His platform is: "I shall follow the same path as I have followed while a public servant in Austin for 17 years, 5½ years as governor." If Stevenson is elected no one will need guess as to where Coke stands.

Secretary of Agriculture Clinton P. Anderson of New Mexico is quitting the President's cabinet in order to run for U. S. Senator. Revolting Southern Governors and Congressmen suggest that Truman appoint a Southerner to the vacated post in order to help heal over the present breech. Not so, says Harry. He has faith that the South still wears the Democratic brass collar, regardless of what the President does. November will tell.

Either compulsory military training or selective service may be approved by Congress. The trouble with selective service is that it was not selective in any sense of the word. Local boards had no say as to the availability of the men or their need at home. The same situation will probably prevail if reinacted. Some people in Washington would like to be great dictators.

Young Democrats of Texas have started a boom to elect General Eisenhower as president. Maybe Ike is a better American than he is either a Republican or Democrat. It might be a wonderful thing to have a whole hearted American in the White House—for a change.

The Henry Wallace followers in Texas are small in number. But they are going to attempt to control the precinct conventions on May 1. Why? It should be rather spectacular for Democratic Texas to be in control of the Communists, who are Wallace's strongest backers.

Why doesn't some one invent something in which dandelions can be used? Within a week of the hardest freeze the Panhandle has ever had, the pesky things were blooming as though it were spring.

In 30 states of the union car drivers may buy gasoline and liquor at the same station. Texas is one of these states. The highway death toll goes up where gasoline and liquor mix.

English people are queer folks. They are now more interested in whether Princess Elizabeth is going to have a baby than whether Russian bombs will fall upon their fair island.

We see that a negro writer says that the blacks will dominate America by 1960. The census does not show such a trend.

Lewis Douglas, U. S. Ambassador to Britain, was asked personally by State Secretary Marshall to head the U. S. delegation in the conference to decide on Germany's future. Robert D. Murphy, Ambassador and adviser to General Lucius Clay on German policy, got a secondary role. Newspapers in Europe had reported that Ambassador Murphy was the one who brought to Washington a suggestion from Joseph Stalin for a meeting with President Truman.

Lieut. General Bedell Smith, U. S. Ambassador to Russia, and Harry Woodring, former Secretary of War, are being considered for the job of civilian administrator in Germany after July 1, when the army is scheduled to give up control. Gen. Lucius Clay, president U. S. Commander in Germany, is slated to retire at that time. General Clay and General Marshall, Secretary of State, do not see eye to eye on German policy.

George Kennan, No. 1 U. S. braintruster on foreign policy, is trying on his visit to Japan to evolve an over-all U. S. Policy for the entire Far East to take the place of the present hit-or-miss policies, many of which conflict with one another.

John Foster Dulles, recent U.S. adviser on European policy and spoken of as possible Secretary of State in a Republican administration, is in some present disfavor with high State Department officials because of their feeling that he would go along with further negotiations with the Russians.

Joseph Martin, House Speaker, badly upset plans of Senator Vandenberg by insisting that military-aid programs be written into the Marshall Plan for economic aid to the outside world. The maneuvering over form and content of the Marshall Plan is related to politics in a presidential year.

Communist leader Palmiro Togliatti and his Socialist buddy, Pietro Nenni, are expressing to American officials their conviction that U. S. will continue to send aid to Italy even if that country does vote for a Communist government, or of Communists serve in the future government of Italy.

Export-Import Bank officials got their first news about a proposed additional $500,00,00 lending authority for Latin America from the newspapers. State Department planners apparently hadn't notified the Bank of the plan.

President Truman's announcement that he would seek election was made in order to head off a budding movement in the Democratic Party to try to nominate another candidate.

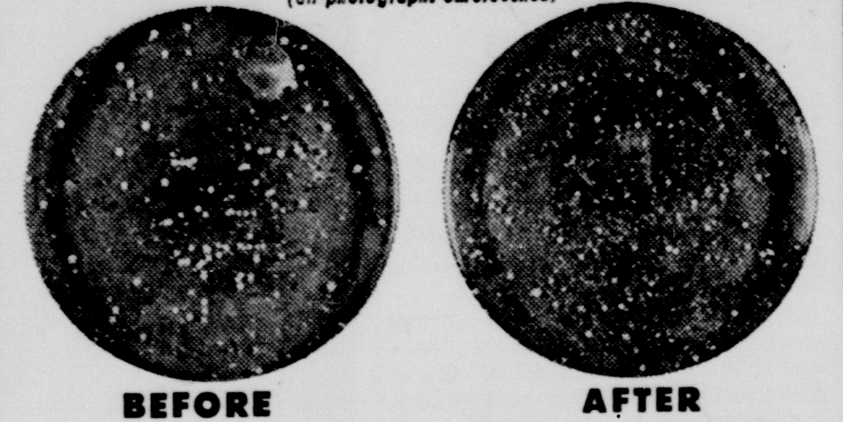
washing in the Bendix. Each spot represents a germ colony.

AFTER
washing in the Bendix. Germs have been practically eliminated.

MACHINE "C"
(all photographs unretouched)



BEFORE

AFTER
Compare with Bendix results in top picture.

"HOW THE TESTS WERE MADE"

The soil removal tests were made in accordance with the Test Manual of the American Washer and Ironer Manufacturers' Association, with water temperatures of 160° for the automatic machine and 125° for non-automatic type machines as specified by the Manual.

For the germ removal tests the washing procedure as above was supplemented by a pre-determined rinse procedure established from contact with authorities in the field of home laundering including the manufacturers of the machines used. The Bendix was used in accordance with the manufacturer's published instructions. Staphylococcus aureus bacteria (bacteria commonly used for test purposes) were used to measure efficiency of germ removal. The four washers used, three non-automatic and a Bendix automatic Washer, were purchased in the open market by the Pittsburgh Testing Laboratory.

No general words . . . no vague statistics . . . but actual, unretouched photographs
SHOW THE BENDIX METHOD IS MORE THOROUGH!

At last it's possible to *know in advance* what results to expect from the washer you buy. No more disappointments if you *read and heed* the results of tests just completed by America's largest independent testing laboratory.

The Bendix outwashed all others tested for both soil and germ removal.

Matched against three leading non-automatic washers in two-way tests of washing thoroughness, the Bendix did a much better job than any of the others, according to reports from the Pittsburgh Testing Laboratory.

In soil removal tests, the Bendix automatic Home Washer removed 23.3% more soil than the "next-best" machine tested.

In germ removal tests, the Bendix did 10 times as good a job as the other washers tested!

Best way is also thriftiest and easiest!

According to the Pittsburgh Testing Laboratory's report, the do-everything Bendix used 40% less soap than the average of the other washers tested, and averaged 10 gallons less water for a single load of clothes! Get the whole story and see a demonstration at your authorized Bendix Dealer's.

MURRAY BIBLE CLASS HONORS DEPARTING CHARTER MEMBER

On last Wednesday evening members and guests of the Murray Bible Class met in the Friendship Hall of the Methodist Church for a covered dish supper to honor Mrs. Kenneth Burum who is moving to Colorado.

The St. Patrick motif was carried out in the decorations.

"42" was played for some time after dinner.

In token of appreciation for the years that Mrs. Burum had been such a faithful member of the class, she was presented with a hand-painted table lamp.

Those present were: Mrs. David Horn, Mrs. C. O. Elkins, Mrs. Lula Myers and Mrs. John Lill, guests; Mrs. W. H. Stroud, Mrs. Maurine Jennings, Mrs. Kenneth Burum, Mrs. Mabel Taylor, Mrs. Marjorie Cleavinger, Mrs. Joe Winstead, Mrs. Merle McGehee, Mrs. Flossie Johnston, Mrs. Rhome Mobley, Mrs. Bessie Samuelson, Mrs. Ralph Forrester, Mrs. Gladys Haines, Mrs. Ethel Mullins.

Mrs. Bertha Adcock, Mrs. W. G. Rose, Mrs. E. F. Welch, Mrs. Maxine Davis, Mrs. Vesta Cantrell, Mrs. Bobby Myers, Mrs. M. B. Brown, Mrs. Fred Latham, Mrs. Ruth Hill, Mrs. R. E. Harrison, Mrs. Hugh Kelso, Mrs. Elmer Oberst, Mrs. Irene Parker, Mrs. Frances Holman, Mrs. Amogene Devaney, Mrs. Gladys Samples and Miss Irene Hicks, members.

ROBERT E. BARNARD HOME SETTING FOR BRIDGE PARTY

Members and guests of the Young Married Couples Club were entertained in the home of Mr. and Mrs. Robert E. Barnard Tuesday evening.

The Easter motif was used in decorations.

Dr. W. J. Wooten, Jr., won high score and Mrs. Robert Bellah won low.

During the social hour angel food pudding and coffee were served to Mr. and Mrs. Chris Wooten, Dr. and Mrs. W. J. Wooten, Jr., Mr. and Mrs. Bob Orton, Mr. and Mrs. Jim Tout, Mr. and Mrs. Tommie Lair, Mr. and Mrs. Bob Bellah, Mr. and Mrs. Bill Sternenberg, Mr. and Mrs. Jack Haley, Mr. and Mrs. Murphy White and the host and hostess.

MRS. K. E. FRIEZE HOSTESS TO BUSINESS WOMEN'S CLUB

Wednesday evening, March 17, Mrs. K. E. Frieze was hostess to members and guests of the Business Woman's Bridge Club.

The Saint Patrick Motif was followed in decorations and colors in refreshments.

Delicious angel food cake, ice cream, mints and coffee were served to Mrs. Christine Cole, Mrs. Irene Beard, Mrs. N. E. McIntire, Mrs. Irene Ball, Mrs. Gabe Thompson, Mrs. Cecil Simms, Mrs. Paul Rogers, Mrs. Guy Tabor, Mrs. C. E. Flesher, Miss Lou Ella Patterson, Miss Mayme Shaver, Mrs. Tommie Pierce, Mrs. Lorena Barnett and the hostess.

Mrs. Pierce won high score and Mrs. Cole low.

FOSTER AND OLIVER REVIEW CURRENT NOVEL

The Woman's Book Club met in the Thompson Club Room Wednesday, March 17 for their program that had been postponed from March 10.

Mrs. R. A. Neblett presided over the business meeting. Eighteen members answered roll call.

The program consisted of two delightful book reviews of thought provoking novels. Mrs. Lee Foster reviewed "King's Blood Royal" by Sinclair Lewis. Then Mrs. W. T. Oliver gave a review of "East River" by Scholam Asch.

Democratic leaders in Congress are complaining privately that they no longer can maintain cantact with the White House except through Leslie Biffle, minority secretary in the Senate. The President is not working closely with his leadership in Congress.

Lieut. Gen. Albert Wedemeyer and top Army officials favor shipment of rifles and small-arms ammunition to the Chinese Nationalists armies, along with advice on how to run an army. They are not in favor of large-scale use of U. S. Soldiers to take over the fighting from the Chinese soldiers who are being treated so roughly by the Communist armies.

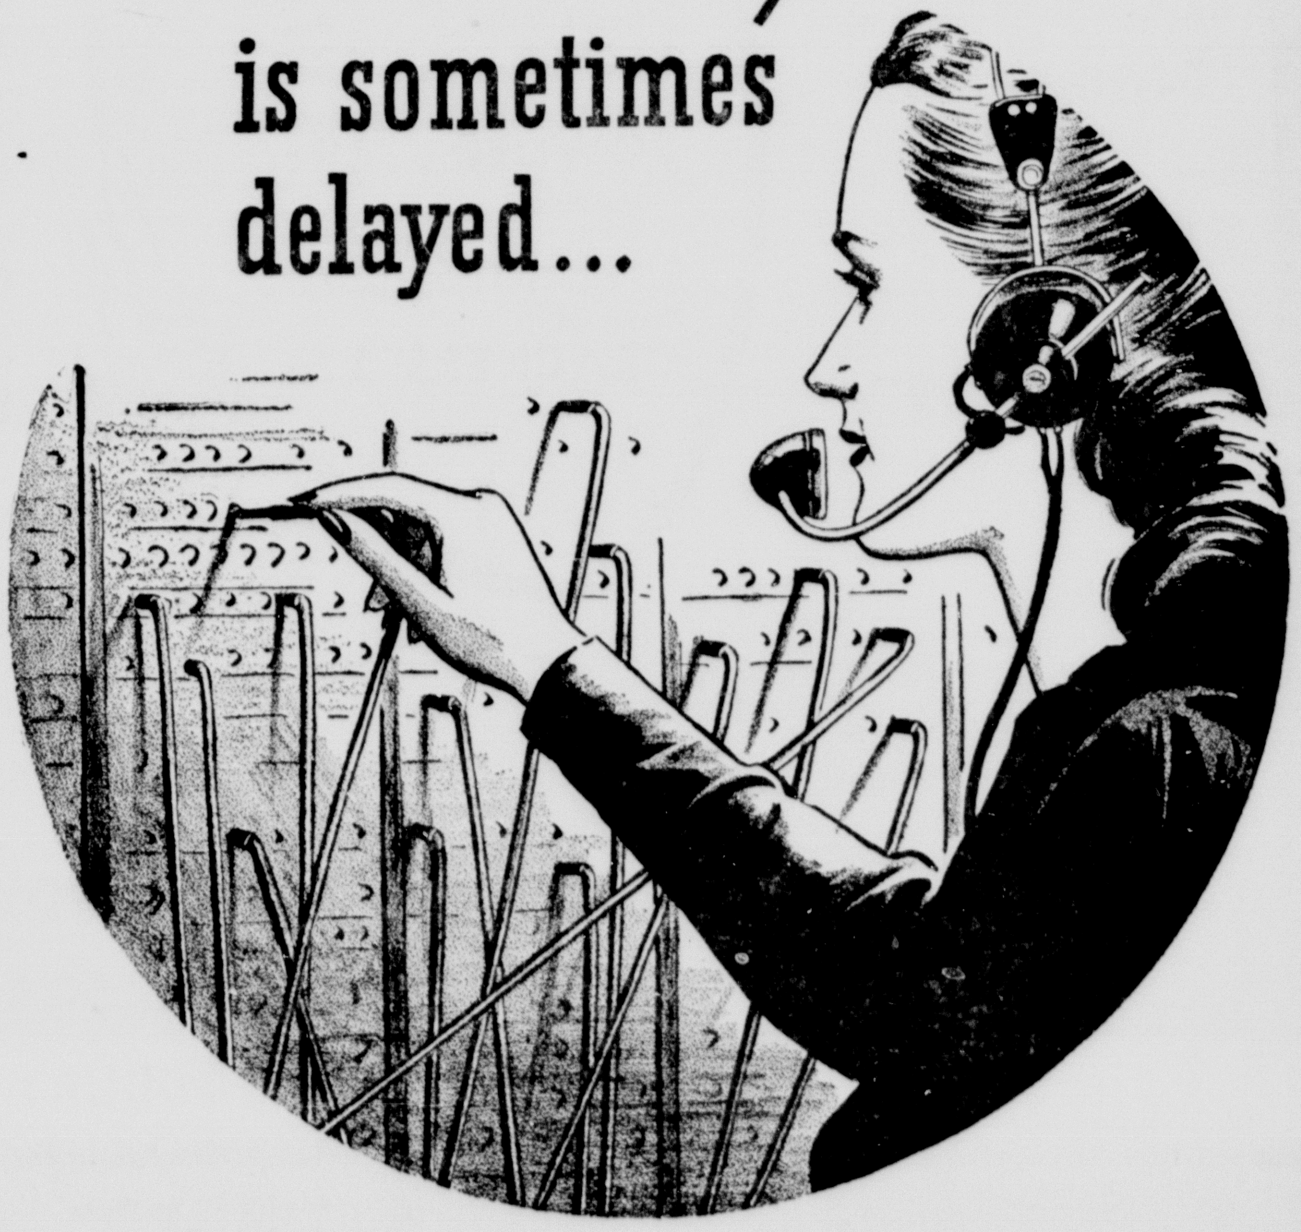
If *"Number please?"* is sometimes delayed...



When you lift your telephone receiver, a light appears on the switchboard in front of several operators. Normally at least one of them can respond quickly. She picks up one of the cords in front of her and plugs it into the switchboard. This connects here with your telephone and she says, "Number, please?"

But nowadays the switchboard is temporarily crowded, serving many people who otherwise would not have service. Many more telephones are in use than ever before, and calling is at an all-time high. The switchboard at times is literally ablaze with lights—and if you should call during one of these busy times, it is possible that *every one* of the operators who could answer your call is busy. When that happens, a few extra seconds may elapse until you hear the familiar "Number, please?"

As soon as much-needed equipment can be obtained and installed, we'll be ready to handle your calls quicker and better than ever before. Meanwhile, if at times your call is not answered at once, you'll know that nimble fingers will reach it as soon as they possibly can. We appreciate your patience and understanding.

SOUTHWESTERN BELL TELEPHONE COMPANY

TROOP 8 GIRL SCOUTS ELECT LEADERS, ASSISTANTS

At a regular meeting of Troop 8 Girl Scouts of America, Wednesday afternoon, March 17, at 3:30 o'clock leaders and assistant leaders were elected.

The following were elected: Art leader, Florence Coffee, assistant Bette McGehee; Outdoor Cooking, leader, Barbara Beck, assistant, Kathleen Armstrong; Homemaking, leader Joann Dodson, assistant, Janice Waldrop.

The troop meets regularly each Wednesday in the basement of the college with Miss Jane Darland as their sponsor.

TOPIC FOR SUE HITE CLUB PROBLEMS OF DEMOCRACY

The March 22 meeting of the Sue Hite Club had as its topic "Problems of Democracy."

Mrs. Herschell Coffee gave a brief summary of the lives of Carlyle, Arnold and Ruskin, noted individualists of England, and Emerson of America, highlighting her topic, "The Higher Life of the Individual" by famous quotations from Emerson.

Mrs. Benie P. Simon gave as her topic "American Life in Recent Literature." She brought out a number of the better known books with interesting glimpses of the authors. A few of the noted books discussed as they have been brought to the public through the ages were: "Ben Hur", "The Luck of Roaring Camp," "Hoosier Schoolmaster," "The Rise of Silas Latham," "The European Ramona," and "The Breadwinners." She also mentioned famous writers who wrote only local color books.

On April 12 at 3:30 p. m. the Sue Hite Club will entertain at Cousins Hall with a tea, having as their guests members of The Woman's Book Club and special guests.

Attending the meeting on Monday were Mrs. W. A. Moore, Mrs. B. P. Simon, Mrs. Herschell Coffee, Mrs. W. A. Miller, Mrs. Virgil Henson, Mrs. R. D. Wheelock, Mrs. Hatcher Brown, Mrs. Hud Prichard, Mrs. Jerry Newman, Mrs. W. E. Miller, Mrs. D. M. Foster, Mrs. Crews Henry, Mrs. Crannell Tolliver, Mrs. Robert P. Jarrett, Mrs. Frank Barnhill, Mrs. E. R. Cleavinger, Mrs. Leonard Britt, Mrs. Aubrey Crossland, Mrs. Frank Morgan, Mrs. D. B. Gragg, Mrs. Truitt McGregor, and Mrs. W. F. Haggard.

Clay Cooper left Sunday with a group of grocers from the Panhandle on a business trip to California. While in California Mr. Cooper will visit with his sisters in Los Angeles and San Diego.

Americanism Was Featured by Lyons Club in Program

The Lions luncheon meeting last Thursday noon featured a moving picture entitled "Americans All." This was released by the Film Division of the College, and was shown under the direction of Lion Noble Armstrong, with the assistance of Rev. Hubert Thomson.

The timely film depicted the cooperative relationships existing between the United States and the 21 republics comprising the Pan-American Union. In this day of increasing strain on all our available resources, it is vital that we enlist the help of our Southern neighbors if we are to clothe and feed the countries ravaged by war. The fertile soil and vast resources yet awaiting development in South American countries constitute an economic challenge unsurpassed today. The film suggested the many ways in which the challenge can be successfully met.

Visitors included G. C. Franks with Lion Milton Morris; M. D. Shepherd with Lion Max Myers. Lion Clark Jarnagin welcomed Bill Sternenberg as a new member. Lion A. K. Goodman presented Lion Robert Bellah with a certificate of award, in recognition of his superior record for enlistment of new members.

Wallace Followers Are Organized at Austin Meeting

A group of Texans met in Austin Saturday and organized for the purpose of supporting Henry Wellace for President on the Third Party.

Herman Wright of Houston was the spark plug of the meeting. He was a candidate for State Represenative from this district several years ago. His wife is the former Alice Arnold, daughter of Mr. and Mrs. A. J. Arnold who formerly lived in Canyon. Wright has been a prominent attorney in various labor disputes in Houston.

J. Frank Dobie, ousted professor of the University of Texas, heads the Walace group in Texas.

The group plans to put on a strenuous campaign before the November election.

Mrs. R. M. Francis of Kress visited last week in the home of her daughter and son-in-law, Mr. and Mrs. Tom W. Langston, Jr., and family.

Mr. and Mrs. M. D. Shepherd were called to La Villa, Texas last week by the illness of her brother-in-law, E. R. Frazier. Mr. Frazier is greatly improved.

Mr. Mike Zeiner brother of Mrs. John Brandt left Monday to return to his home in Nebraska City, Nebraska, after having visited in the Brandt home.

Lt. (J. G.) Dwight Newman and family of Chicago visited last week in the home of his brother, M. J. Newman and family.

Mr. and Mrs. A. B. Odom visited in the homes of relatives in Plainview, Memphis, and Quanah last week.

Joe Jennings of Plainview was a business caller here Monday. He was a former County Agent of Randall county.

Mrs. E. I. Boyce, Mrs. Viola Bechtold and Miss Nancy Geniene Bechtold spent the week end in Midland visiting with Mr. E. I. Boyce.

Mr. and Mrs. W. C. Black left Friday for Dallas where Mrs. Black went for a check-up following her recent operation.

Mr. and Mrs. J. H. Lisle, Mr. and Mrs. Hampton Lisle and family visited Sunday with Leslie Lisle and family in Borger.

Miss Mildred Middletown visited with relatives and friends in Lubbock Sunday.

Mr. and Mrs. Joe Baber left Wednesday to visit with relatives in Wichita Falls.

Mr. and Mrs. A. C. Thompson of Hereford visited with relatives in Canyon Sunday.

Mr. and Mrs. W. M. Thompson and family visited with relatives and friends in Plainview Sunday.

Mr. and Mrs. John Pool and children of Hereford visited Sunday in the O. W. Parker home.

S. R. Morgan is in Northwest Texas Hospital in Amarillo where he underwent an operation last week.

Dr. L. F. Sheffy talked at the Kiwanis Club luncheon in Tulia Tuesday.

Mr. and Mrs. Kenneth Cox and children plan to spend the Easter holidays in Dallas.

Mr. and Mrs. R. D. Lowry visited with friends in Lubbock Saturday.

The largest Protestant denominations in the U. S. are the Methodists and the Baptists.

Carrie Nation, anti-saloon and anti-cigarette crusader, was known as "The lady with the hatchet."

Help Keep Canyon Clean!

CENTRAL H. D. CLUB TO MEET

The Central Home Demonstration Club will meet Friday, March 26, at 3:00 p. m. in the office of Miss Lou Ella Patterson, in the Court House.

Mr. and Mrs. T. E. Allen and son of Midland returned to Midland Friday after attending the funeral of his mother, Mrs. Mary Elizabeth Allen, in Amarillo. They visited Thursday night in the home of Mrs. Allen's parents, Mr. and Mrs. C. O. Cooper.

Mr. and Mrs. George Hodges visited with their sons in Canadian, Miami and Pampa over the week end. Mr. Hodges reports that the wheat in that area is in excellent condition, having the ground covered in almost all fields.

Mrs. Buster Poston of Laramie, Wyoming, arrived Wednesday to visit in the parental Charles Sutton home, and with other relatives. This is the first visit that Mrs. Poston has been able to make home in seven years.

Mr. and Mrs. J. P. Winner and son have moved from Waco to Canyon. Mr. Winner is entering West Texas State. They are living temporarily with her parents, Mr. and Mrs. Bill Martin.

Dr. Law Sone of Fort Worth was here Thursday. He had taken his father, C. L. Sone to Pampa where they spent the night with Law Sone.

Guy Brant spent the weekend at the home of his parents, Mr. and Mrs. A. G. Brant, near Hobbs, N. M. Mrs. Brant is recovering from a major operation.

Mrs. Newton Harrell is visiting with her daughter and son-in-law, Mr. and Mrs. Bill Howse in Wichita, Kansas.

Mrs. Mildred Newman of Edgewood, Iowa, is a guest in the home of her son, M. J. Newman and family.

J. D. Barker is in Dallas on legal business. He will be away for another week.

WOMEN'S COUNCIL TO MEET

The Canyon Council of Church Women will meet at the Methodist Church Tuesday afternoon, March 30, at 3:00 o'clock.

Included in the program will be a review of "East River," given by Miss Helen White Moore.

There will be a nursery provided to care for the small children of mothers who wish to attend the meeting.

Mr. and Mrs. R. C. Taylor and Son returned to Childress Sunday after having spent a week with her mother, Mrs. Berl, Mayfield, and visiting with other relatives.

Mr. and Mrs. Joe Jennings and family of Lorenzo visited in the parental Worth Jennings, Sr., home Sunday.

Cornette Attends Meet at Dallas

Dr. James P. Cornette, president-elect of West Texas is to be in Dallas this week for a convention of the Association of Texas Colleges.

He is first vice president and will preside at the second meeting of the group. At the same meeting he will be leader for a discussion on "Imminent Problems in Higher Education in Texas."

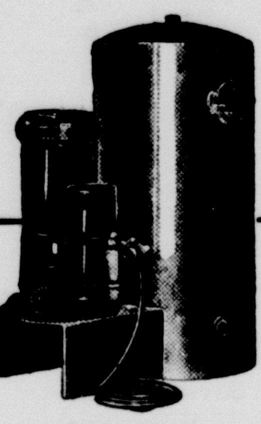
The convention is to be held in the Baker Hotel in Dallas tomorrow and Wednesday.

Last Thursday night he was the main speaker for the Amarillo Toastmasters "Man of the Year" Banquet held in the Crystal Ballroom of the Herring Hotel.

The chosen "Man of the Year" was E. L. Hunter, principal of Horace Mann Junior High School in Amarillo.

Dr. Cornette said that this was the first time Amarillo has ever had such an award as that and that it is a good thing that a school teacher was chosen for the honor.

Men for this honor are chosen on their service to the town as well as personalities and outstanding leadership.



Deep Well Ejector

A "package unit" water system for deep wells (depth of 22′ or more). Has ¼ hp. pump and 18 gallon tank completely assembled with cord and plug ready-to-plug-in.

Pump is practically noiseless in operation—has only one moving part—no packing box. Since there are no moving parts in the well, off-well installation is possible.

Other types in the complete F-M line include reciprocating deep well, Ejector and reciprocating shallow well water systems with capacities from 200 to 5500 gallons per ho—

Qualified Teachers Are Hard to Secure at Present Salaries

AUSTIN: Texas will continue to have difficulty obtaining the qualified teachers it needs despite salary increases granted by the last legislature, it was predicted here today.

"The high cost of living has more than offset the raises in pay," Miss Emma Mae Brotze of Marshall, president of the Texas State Teachers Association, declared.

"We are grateful because the legislature provided a minimum salary scale of $2,000 annually for teachers with degrees. That has made the average salary of our teachers $2,500.

"The fact remains, however, that Texas is still under the average pay for teachers in the United States and that increasing cost of living is forcing many people to look to other lines of endeavor for their livelihood.

"Obtaining a degree which qualifies a person to teach in Texas schcools is a costly process. It is quite likely that the fact that teachers receive 12 per cent less than the average pay for all employed persons in the United States, including laborers, is little inducement for persons to train for and enter the teaching profession."

Miss Brotze pointed out that conservative figures of the United States Bureau of Labor Statistics reveal that the cost of living has increased 63.8 per cent since before the war.

"The average salary of Texas teachers, $2,500, is equal to a paycheck of $1,526 in the 1935-39 period" the state teachers president said.

"In purchasing power, that means the dollar will now buy only what 61 cents would before the war.

"Take home pay of teachers has also decreased due to the fact that federal income tax is now levied on their salaries. That was done prior to 1936.

"With income tax deductions, the average salary of Texas teachers is equivalent to $1,306 before the war.

"So long as high prices continue; so long as the federal government pays larger salaries for persons requiring college degrees, and teachers get less pay than semi-skilled workmen, I do not believe the profession will appeal to the type of person we want to teach our children." Miss Brotze pointed out that teachers' pay has never been comparable to others and that increases have not kept pace.

"Labor Bureau statistics reveal that teachers throughout the United States received pay increases totaling 65.5 per cent from 1939 through 1947," she said.

"That may, at first glance, appear large.

"Consider, however, the increased cost of living and the pay increases granted in other lines of work to meet the rising prices. Industrial workers, during the same period, had increases totaling 101.7 per cent, wage earners in manufacturing 111.3 per cent and persons engaged in agriculture 304.3 per cent.

"Figures for present day income are not available, but the attraction other professions hold is shown by the 1939 average income of several groups. Lawyers average $4,391, physicians $4,229, veterinarians $2,240 and teachers $1,400."

The federal government's lowest grade of pay in the professional field is $2,691, Miss Brotze said.

"Compare that with the $2,000 mimimum in Texas and one can readily see why the federal government attracts more people than does the school room.

"Federal salaries in the professional class are as high as $10,000 a year. I know of no position in the Texas public schools which pays anything comparable to that."

"The expenditure for education throughout the United States is only two per cent of the national income, as compared with as much as six per cent in some other countries.

"I am firmly convinced that if we are to staff our classrooms with persons properly trained to teach our children that it will be necessary to provide better salaries for our teachers."

BRITISH FRENCH AMERICAN PLAN FOR A REVITALIZED GERMANY
FIVE NATION ALLIANCE
WESTERN EUROPE

Says one editor: "There are 100,000 men in this country eminently capable of serving as President." We have in later years had the same impression, but slim chance that any one of them will ever be elected.

Help Keep Canyon Clean!

A long-sought method for photograph-printing designs on textiles has finally been achieved. It provides 32 shades, has three-dimensional quality, and is effective on monk's cloth, velvet, satin, taffeta and crepe. Textile men predict it will revolutionize their industry and the whole fashion and decorating world.

Among new products soon to be available are an aluminum raincoat (made of powdered aluminum and plastic) and a clear liquid plastic for autos (at $1.69 a quart) which flows on easily with a dry cloth and will not, says the manufacturers, chip, peel, flake, scale or check for a year.

Heavier planting and cold weather, which killed off the boll weevil, point to a large cotton crop, main source of cash for southern farmers. Large purchases for ERP should help maintain good prices.

The campaign for a blanket pay raise for Government workers was sailing smoothly until the crack in cost-of-living prices. Sponsors quickly switched to a let's-wait-and-see attitude.

Senator Homer Ferguson, top Republican investigator, is getting set to pry into deals that he believes will add to the discomfort of Democrats in the coming elections. Senator Ferguson has his eye on the Department of Justice in particular.

One thing the Republicans ought to look out for is over-confidence. They're so sure of winning the presidency none of their candidates is willing to risk not running.

Rich Are Not Getting Richer Indicates Report

Every radical attack on the American economic system is based on the old gag that, under capitalism, "the rich get richer and the poor get children." And every advocate of communism or any other totalitarian system argues that it offers the only road to a division of wealth and a higher standard of living for the masses of people.

One of the best answers to that all-important question was recently given by the Rev. Edward A. Keller, C. S. C., who is director of the Bureau of Economic Research of the University of Notre Dame.

Father Keller's study is called, "The National Income and Its Distribution," and is written in language any layman can understand. Here are some facts he has correlated:

First of all, the rich are not getting richer. In 1917, Americans with a personal annual income of $25,000 or more got 7 per cent of the nation's entire income after taxes. By 1928 they were getting 11 per cent. But in the latest year for which complete figures are available, 1944, they got only 1 per cent. Their dollar income was almost $9,000,000,000,000 in 1928, while it was less than $2,000,000,000 in 1944.

If that is true, where is the money going to? Father Keller answers that also. Americans making under $5,000 a year, the group to which most families belong, have immensely improved their position. They received 87 per cent of our total personal income in 1917, 77 per cent in 1929—and 90 per cent in 1944. The dollar figures are still more impressive. The under $5,000 Americans received a total income of $47,000,000,000 in 1917, and $140,000,000,000 in 1944—a gain of nearly a hundred billions in one generation!

Another catch-phrase is that the owners of industry—the stockholders—get an inordinate share of earnings, while workers don't get enough. Here too the figures tell a remarkable story. In the 17 years from 1929 to 1946, national income rose 93 per cent. But corporate dividends went down 14 per cent! As Father Keller puts it, "Taking our economy as a whole . . . the main item of cost of production of all goods and services is labor cost (90 per cent), while cost for the use of tools is a relatively minor cost (6 per cent)."

Capitalism gives more people benefits than any other system. Capitalism is the only system which makes possible maximum economic progress with the largest possible degree of personal liberty for all. Americans can well be proud of their capitalistic system. Most of the "isms" seek to live off of it while working to destroy it—then what would they have to divide? Nothing but their own poverty until new capital could be saved.

Sir Oliver Franks, new British Ambassador to Washington, will face as his first job the problem of getting Marshall Plan dollars in time to finance British food purchases in Canada. The Canadians, in negotiations with Britain over food, are insisting on payment in U. S. dollars to help ease their own dollar shortage.

President Truman is not taking kindly to hints from Democratic Senators from the South that he should step aside to permit nomination of another Democrat to make the race in 1948. Mr. Truman is more than ever determined to seek election.

Voice of America broadcasts will soon be heard over the most powerful radio station in the western hemisphere if State Department accepts a proposal from WRUL of Boston. With a transmitter stepped up to 250,000 watts, WURL is equipped to flash on a global scale an objective account of America's democratic culture, traditions and accomplishments and their vital part in today's world.

James Forrestal, Defence Secretary, is turning out more and more to be the "strong man" of the Administration. Secretary Forrestal's influence is growing in the field of foreign policy as in the field of domestic policy.

Advisers to the President are encouraging Mr. Truman about his political future by their belief that a crisis atmosphere later this year will cause voters to hesitate to vote for a change. The drive westward by Russia is expected to heighten public alarm in this country as the year wears on.

Charter Oak is a tree in Hartford, Connecticut in which the colonial charter was supposed to have been hidden in 1687.

John Adams, second president of the U. S., was father of John Quincy Adams, the sixth president.

Beware Coughs
from common colds
That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

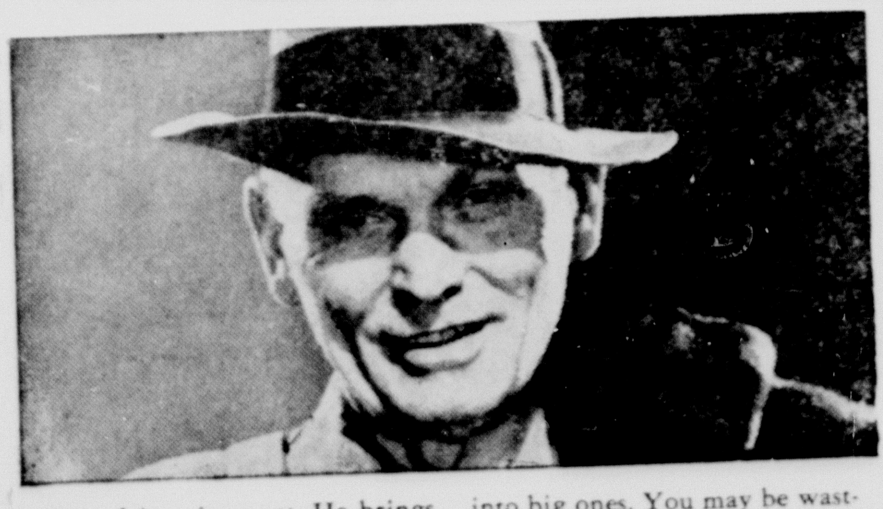
HARDEN & HEATH

GETS 19.5 MILES PER GAL. IN '39 CAR!



This driver is smart. He brings his car to us regularly for a thorough motor check-up. Result: his car still runs economically and his service bills are small. *Your* engine's efficiency may decline so gradually you hardly know it. Better drive in for a check-up and let us correct little troubles before they grow into big ones. You may be wasting more money in excessive gas and oil consumption than the cost of reliable service—so don't delay! While you're waiting for your new Chrysler or Plymouth, we'll keep your old car in tip-top shape!

What's the world's softest cushion made of?

EIDER DOWN? . . . hummingbird feathers? . . . lady, lady you're getting cooler!

The world's softest cushion is a collection of nice crackly paper—the kind of paper U. S. Savings Bonds are made of. They're a fine bundle of security to fall back on, in case of financial troubles.

Two great, *automatic* plans make the regular purchase of Savings Bonds both sure and convenient.

1. If you work for wages or salary—join Payroll Savings—the *only* **installment-buying plan.**

2. If you're in business, or a profession, or living on an income, and the Payroll Savings Plan is *not* available to you—sign up at your bank for the Bond-A-Month Plan.

Join the Plan *you're* eligible for today! And watch your cushion of Savings grow. **For remember—100% safe U. S. Savings Bonds pay you back $4 for every $3 you put into them, after only ten years!**

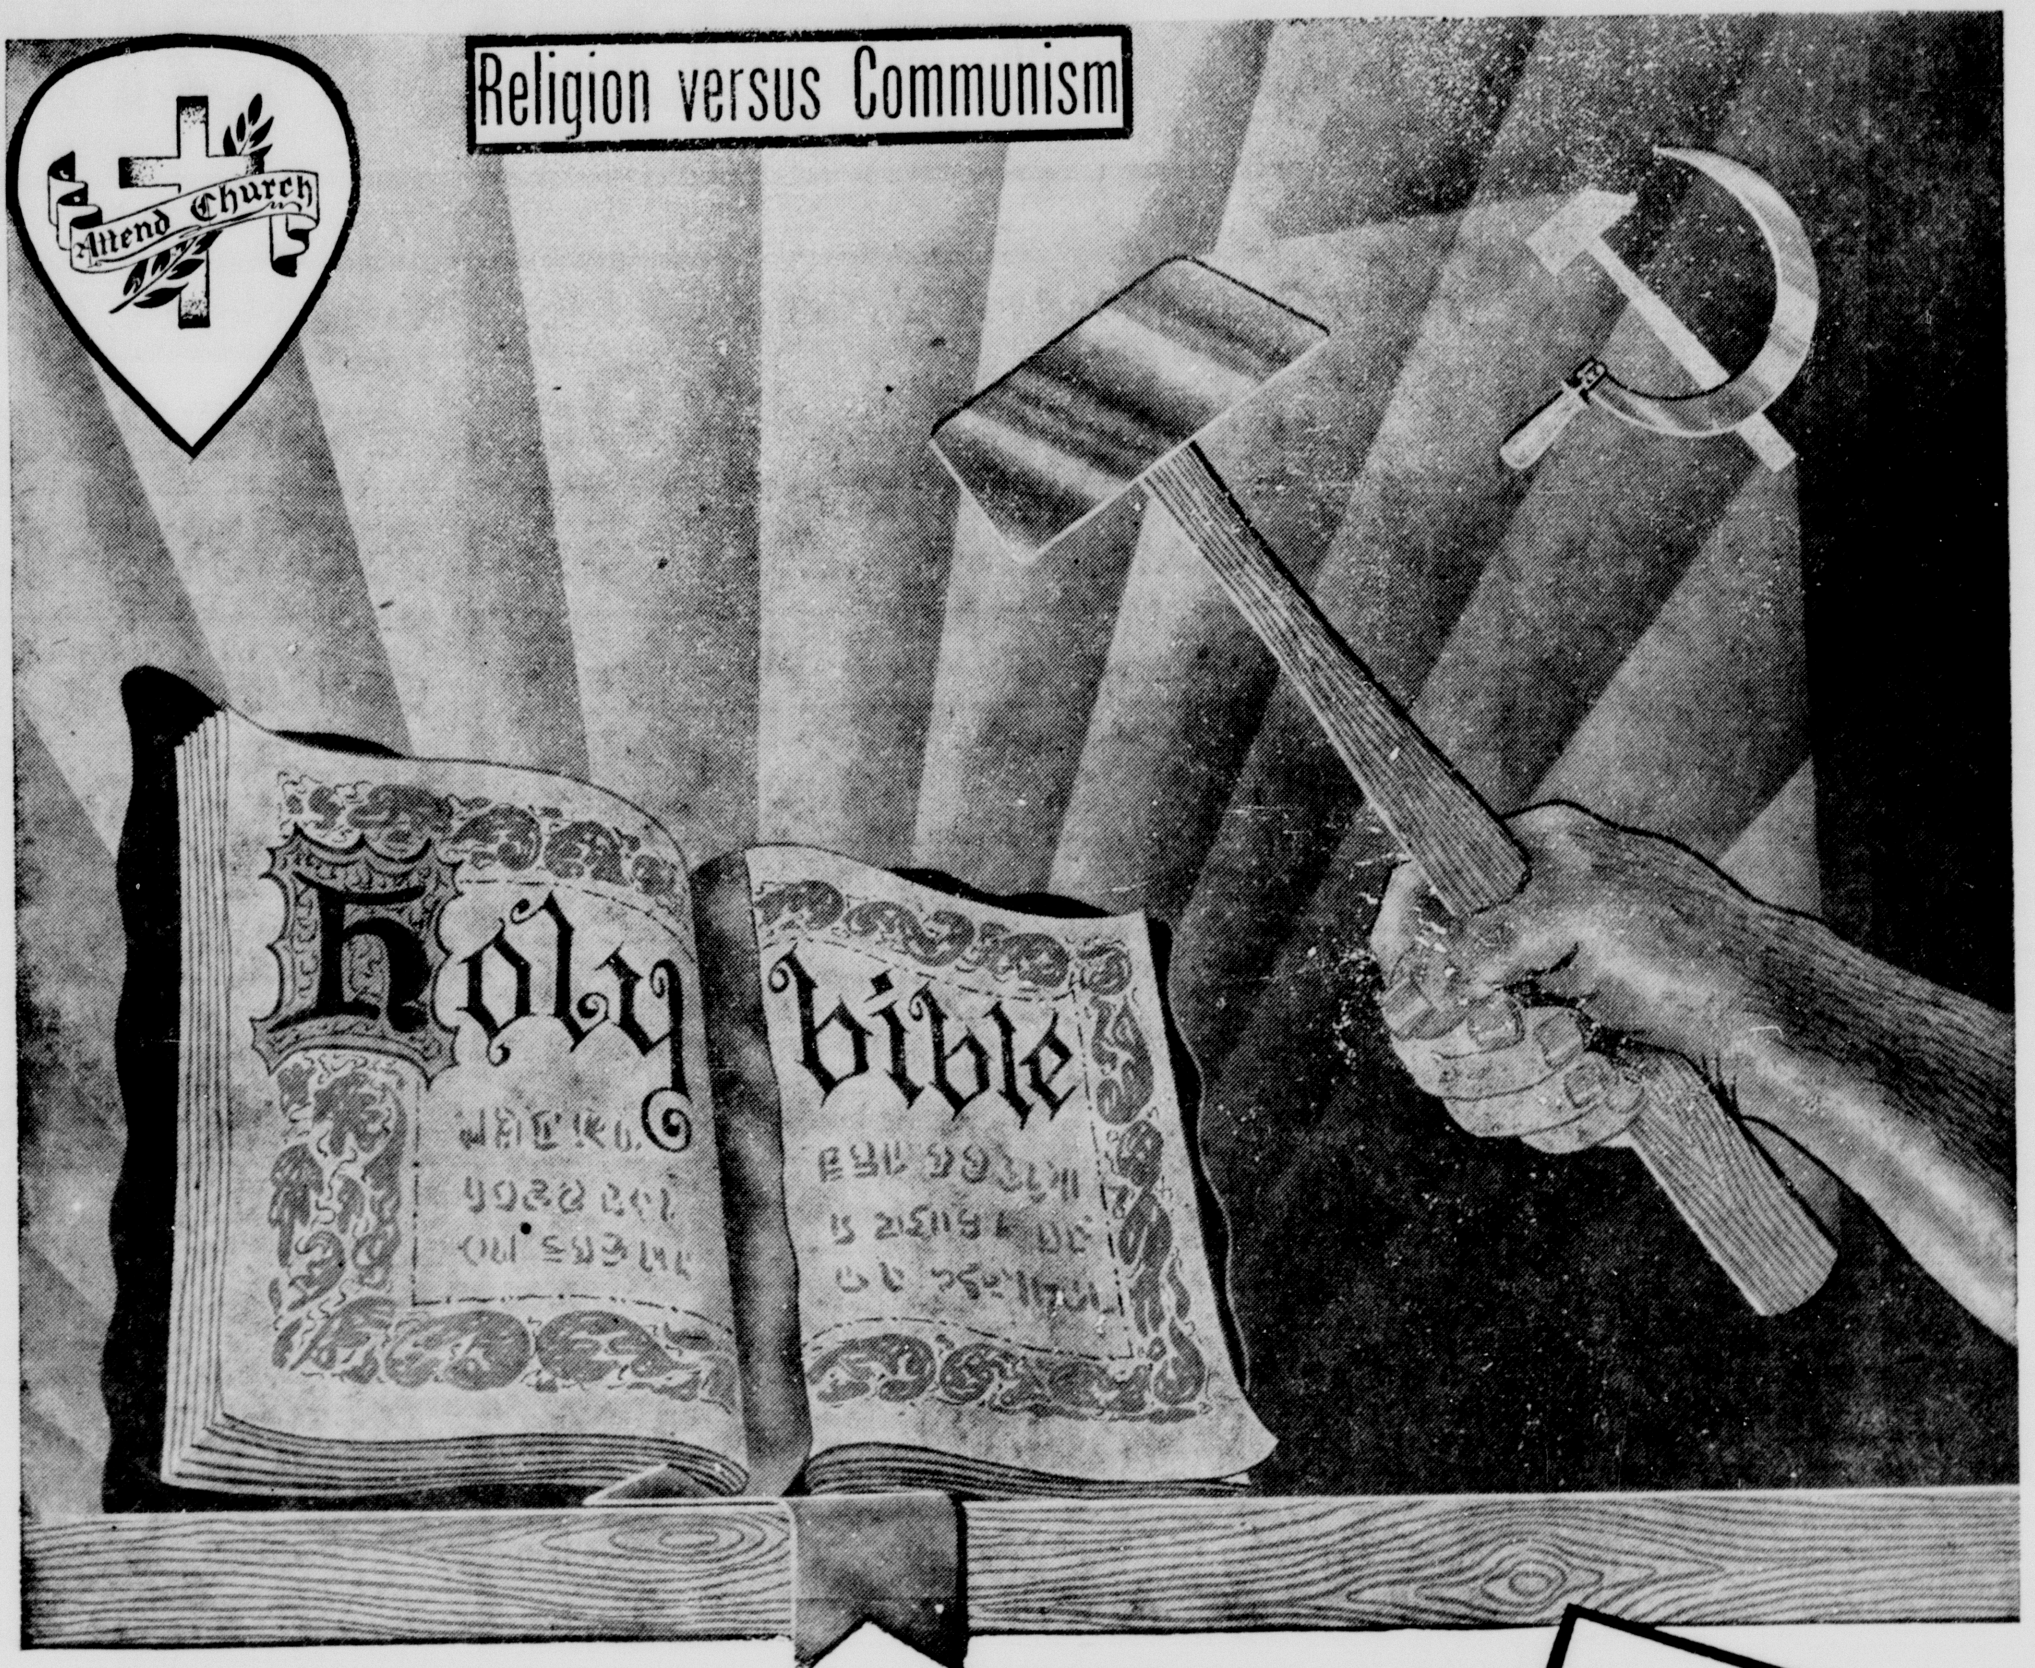
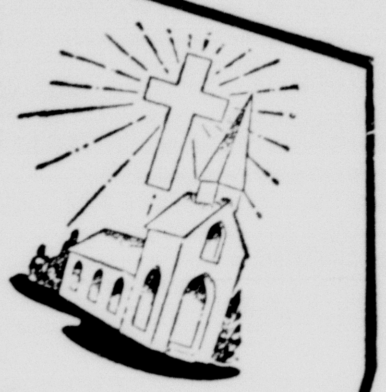
Religion versus Communism



Communism in Russia deserves to be measured over against the intolerable tyranny and oppression of the Czars; it may even be a step in advance of that which it replaced.

But Communism within the United States is quite a different thing. Here it appears as a threat to that great good that we call democracy; and worse still, *it seeks to overthrow the Christian religion* which has been the sure foundation of our freedom and our integrity. Toward Communism in Russia we may take an attitude of sympathy, hoping that a great nation will move on to higher ground, though we recognize the right of the Russian people to choose their own political and economic system. So we say to each other, "Hands off" of the internal affairs of other nations. But we ought to be mightily concerned with the appearance of Communism in the U. S. A. Perhaps here, however, we ought to be on our guard against the reality rather than the name. It is one thing to belong to the Communist Party, which looks us squarely in the face and announces its position. It is quite another and a more dangerous thing to be a Communist and not let it be known. It is the *under cover Communism which threatens us most.*

Communism sets itself up as a religion, *denying God and the Christian Faith;* it would *close the doors of the Church.* Do you support the Church, or could its doors close so far as you are concerned? There are sixty million people in this country who are not members of any Church; *they are the Communists we should fear.* Godless women and men, intent on themselves or some political party as the chief good, irreverent and devoted to material ends—these are the Communists whom we Americans should fear and seek to change.



YOU IN THE CHURCH
THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good.

Frank Storm, Jr. Talked Tuesday on Russia Experience

Frank Storm, Jr. of Amarillo talked at the Rotary Club luncheon Tuesday on his experiences in Russia. He was with lend-lease in Russia for two years during the war, with rank of captain in the army.

The Soviet Union is the largest nation in the world. The nation has everything, except tropical goods.

The recent buildings are of poor construction; food is poor and scarce; clothing is rationed, and few women have two dresses, and few men have more than one suit.

The Kremlin is the center of Moscow, with streets and roads running out from the circle.

The subway system is the best in the world.

The government was described as a huge corporation, with Stalin, as chairman of the board, heading the nation; 12 or more sub division directors; and the two million Communists as stockholders. The other 198 million Russians work for the government, and are subject to control of the few. No free enterprise is allowed. The secret police keeps in check those who might think differently from the Communists. There is no chance for internal revolution under such a system.

Mr. Storm does not believe that Communism and Capitalism can live peacefully with such opposite ideas.

While in Moscow, the Americans were closely guarded. Servants reported regularly to the police everything the Americans said and did, and where they went.

The Russian people knew nothing about lend-lease goods being sent to them until America complained. Mr. Storm believes that our war materials saved Russia from the Germans.

The people are kept in ignorance of America and opportunities here. When the children are 6 to 8 years old they are taken from their parents and placed in state schools, where they are taught just what the Communists wish them to know. They are not allowed to leave the nation, until they are tested and true Communists.

Churches were closed from 1918 until Easter 1943. At that time the churches were filled with the older people who still remembered the olden days. Mr. Storm was of the opinion that this concession was only a sedative against unrest.

During the war two or three thousand Russian experts had free access to our factories. Americans were not allowed to see Russian factories, but believe that they are producing great amounts of materials.

Before 1941 groups of children were set aside by the state to special duties. So many failed in the lines prescribed for them that the state became a little more lenient.

The Kremlin is a group of buildings in a walled portion of Moscow. Each ruler has added to the group to suit his fancy.

Mr. Storm did not know whether or not lend-lease materials were still being shipped to Russia, but presumed that they were. (We shipped oil and scrap iron to Japan until the war started.)

Miss June Wimberly played a piano solo.

Visitors were: Mr. and Mrs. Fred Brien, E. Kancher, Ralph Ater, M. N. Owtlaw, J. E. Bowman, J. O. McGuire, Arch Hunsley, L. Wood Jackson, all of Amarillo.

CELEBRATE BIRTHDAYS

Sunday Mr. and Mrs. I. W. Wester honored the birthdays of Mr. and Mrs. R. E. Wester and of Mrs. Ray Crowder with a birthday dinner. Mr. and Mrs. Ray Crowder were here from Clovis and Mr. and Mrs. R. E. Wester and family from Amarillo.

Allan Farlow visited over the week end in the home of Mr. and Mrs. A. B. McGraugh.

Judge Music Contsts in Lubbock Saturday

Miss Pauline Brigham, Miss Ada V. Clark and Miss Matilda Gaume of the music department of West Texas State served as judges in misic contests at Lubbock Saturday. The contests were sponsored by the Women's Federated Clubs.

Miss Gaume and Miss Brigham judged piano selections and Miss Clark vocal numbers.

Miss Clark remained over the week end to visit in the home of her brother, W. J. Clark and family.

WT Art Exhibit Touring Plains

West Texas State Art Department is now showing an exhibit at Chillicothe, Texas, consisting of oil paintings, figure drawings, and designs done by college students.

Plans are being made to enter a display at Pampa. This will consist of student work and also some done by the instructors, Miss Isabel Robinson and A. G. Kieselbach.

Next Masquer Play Planned March 31

The next one act play presented for the Buffalo Masquers will be presented Wednesday, March 31 in the auditorium of the Speech Building. The play entitled"Message from Knufu" is under the direction of Jody Marsh, junior speech major from Crosbyton.

"Message from Knufu" is to be presented immediately after the regular meeting of the Buffalo Masquers at 7 p. m.

We really had a good singing Sunday afternoon when the Randall County Sing Song Band met with us. Visitors attending were: Mr. and Mrs. Norman Glenn and their four children, Mr. and Mrs. E. C. Hawes and Mrs. Glenn, Fred Braggs, Mr. and Mrs. Alfred Hamblen, all from Canyon; Mrs. Dean Cagle and Lynda, Mrs. Kenny McCasland and Jo Ann, and Don Amerson from Salem.

We were glad to have Mrs. J. Fulcher and Billy J., Mrs. Jimmy Stipe and Beth with us for the singing Sunday.

Fayerene Schaeffer visited in the parental E. W. Schaeffer home Saturday night.

Tom Rogers is doing fine in St. Anthony's hospital.

Mrs. S. F. Sharpes is in Neblett Hosiptal at Canyon with the flu.

Mr. and Mrs. Pat Allen and Bettye visited with Mrs. Allen's father Saturday night.

Mr. and Mrs. H. H. Shipman took Mrs. T. H. Shipman to see Ada Sunday.

Mr. and Mrs. Wayne Wesley have rented a farm at Petit, near Levelland, and moved there the past week. We will miss Wayne and Clymenna but we wish for them success in their new home.

The B. T. U. weiner roast was enjoyed by 19 people at the Roadside Park near Canyon Saturday evening.

Mrs. G. E. Wesley entertained the Home Demonstration Club Friday afternoon with 12 members and the 4-H girls met after the school bus ran. Miss Patterson gave a very interesting talk on fitting a pattern and how to know your material.

Mr. and Mrs. Frank Rogers visited Sunday with the J. W. Wesleys.

Joice Gazaway visited Sunday with her sister, Mrs. Gordon Foster.

S. F. Sharpes and children, Troy and Etta Jean, and Mr. and Mrs. Allen and Bettye visited Mrs. Sharpes in the Neblett Hospital Sunday afternoon.

Mrs. Serena Bryan and Mr. and Mrs. Harney Rogers visited Tom Rogers in St. Anthony's Hospital Friday.

Mickey Bryan has been sick the past week.

Mrs. Johnny Boydston, who has been critically ill in a Tulia hospital, is well on the way to recovery.

Lavena Amerson is back at home after spending a week in the parental F. O. Amerson home.

We have had a few sunny days for which we are very grateful.

Fifty-six men signed the Declaration of Independence.

STATEMENT OF CONDITION OF PERPETUAL CARE FUNDS

Established or maintained pursuant to requirements of Perpetual Care Cemetery Law, Acts 1945, 49th Legislature.

Be it known that the Perpetual Care Fund of:

THE LLANO CEMETERY ASSOCIATION,

a cemetery association organized under the laws of the State of Texas, did, on the 31st day of December 1947, reflect the following condition:

Book Value of investments carried in trust:		
U. S. Government Bonds:		
Series G	$91,800.00	
Series 1970 Treasury	15,000.00	$106,800.00
State, County and Municipal Obligations:		
Name of Municipality		
Amarillo	4,060.00	
Hereford	1,000.00	
Briscoe County	555.80	
Littlefield	2,016.53	
Crowell	1,470.00	
Mt. Calm ISD	1,000.00	
Shamrock	4,308.87	
Floydada	960.00	
Wheeler	2,100.00	
Childress	1,042.66	
Silverton	1,800.00	20,813.86
Cash on Hand		305.14
Due from Accounts Receivable		1,845.21
TOTAL PRINCIPAL OF PERPETUAL AND IRREDUCIBLE FUNDS		$129,764.21

NAME OF TRUST COMPANY, BANK OR BOARD OF TRUSTEES Holding fund in Trust:
First National Bank, Amarillo, Texas

Burial space disposed of under perpetual care prior to March 15, 1934:
Grave space Sq. Ft. 165,224. No. of crypts 202. No. of niches 0

Burial space disposed of under perpetual care subsequent to March 15, 1934:
Grave space Sq. Ft. 354,502. No. of crypts 148. No. of niches 0

Burial space sold or disposed of subsequent to March 15, 1934, for which minimum amounts for perpetual care, as provided by law, have not been paid into the perpetual care fund:
Grave space Sq. Ft. 9,226. No. of crypts 0. No. of niches 0
(Accts. Receivable.)

We certify:

That none of the assets of said cemetery perpetual care fund constitutes loans to the cemetery in which the funds were established or to any officer and director thereof. (Section 4, Paragraph 2, Perpetual Care Cemetery Law, Acts 1945, 49th Legislature.)

That no two directors of the cemetery association are directors of the trust company, bank with trust powers, or Board of Trustees with which the irreducible perpetual care fund has been established. (Section 15, Paragraph 1, Perpetual Care Cemetery Law, Acts 1945, 49th Legislature, Amended 1947.)

That a sign in minimum of forty-eight (48) point black type, which contains the information "Perpetual Care Cemetery" is posted in a conspicuous place in the offices of the association where sales are conducted, or, if there be no office, in a conspicuous place at or near the entrance of the cemetery or administration building and readily accessible to the public; which sign also contains the bank, trust company, or Board of Trustees entrusted with care of perpetual care funds. (Section 16, Perpetual Care Cemetery Law, Acts 1945, 49th Legislature.)

We, whose names are subscribed below, being President and Secretary, respectively of The Llano Cemetery Association, do each of us solemnly swear that the facts set out in the foregoing statements are true to the best of our knowledge and belief.

(signed) R. Thomsen, President
(signed) Madelene Vaughan, Secretary

Subscribed and sworn to before me this the 20th day of February, 1948.

WILDORADO H. D. CLUB MEETS WITH MRS. FLOYD MITCHELL

The Wildorado Home Demonstration Club met at the home of Mrs. Floyd Mitchell on Tuesday March 16.

Club members answered roll call with recipes for good sandwiches.

Mrs. Orial Davis spoke on the types of recreation. Mrs. George Cook gave a talk on food ideas.

Refreshments of donuts, sandwiches and coffee were served to Mrs. Cook, Mrs. R. C. Sampson, Mrs. L. J. Fulton, Mrs. John Brandt, Mrs. Davis, Mrs. Bob Fulton, Mrs. Ross Grantham, Mrs. L. E. Mason, Mrs. Topscott, Mrs. Ray Lee Jones, Mrs. Cecil Roark, Mrs. T. J. Tidwell, Mrs. Clyde Jones, Mrs. S. E. Brightwell, Mrs. A. N. Green, members; Mrs. Truett Medlin, guest; and the hostess.

The club will meet April 6 at the home of Mrs. Kenneth Jones.

1925 CLUB HAS ST. PATRICK PARTY IN COFFEE HOME

Mrs. Herschel Coffee was hostess to members and guests of the 1925 bridge club on Wednesday afternoon, March 17.

Attractive arrangements of green carnations were placed throughout the entertainment rooms.

Delicious punch was served during the games. An appetizing salad course, carrying out the St. Patrict motif was served with coffee at the conclusion of the games to Mrs. J. D. Barker, Mrs. Hud Prichard, Mrs. J. J. Walker, Mrs. G. E. Nance, Mrs. Glenn Dowlen, Mrs. Gordon Lyons, Mrs. J. L. Duflot, Mrs. Newton Crain, Mrs. W. A. Miller, Mrs. J. Madison Daugherty, members; Mrs. Clark Jarnagin, Mrs. Larry Holman, guests and the hostess.

TEA WEDNESDAY HONORS MRS. MILDRED NEWMAN

Mrs. Mildred Newman of Edgewood, Iowa, was honored with an informal tea by her daughter-in-law, Mrs. M. J. Newman, Wednesday afternoon from 3:00 to 6:00 o'clock.

Assorted tea cookies, yellow tinted angel cakes, mints and nuts were served from an attractively appointed tea table centered with an arrangement of yellow and white iris.

Mrs. W. A. Moore poured during the 3:00 o'clock hour, Mrs. Emma Coleman the 4:00, and Mrs. A. G. Keiselbach at the 5:00 o'clock hour.

Approximately 30 guests called during the afternoon.

MRS. BRIGGS ENTERTAINS WITH BRIDGE THURSDAY

Mrs. Cecil Briggs was hostess to a group of friends Thursday evening for a bridge party.

Potted plants appropriate to the Easter season were used to decorate the entertainment rooms.

Lettuce nests with cheese Easter eggs, lime jello, angel food cake and coffee were served to Dr. and Mrs. J. A. Hill, Mr. and Mrs. F. E. Savage, Mr. and Mrs. J. A. Gillis, Mr. and Mrs. Mitchell Jones, Mr. and Mrs. A. A. Clark, Mr. and Mrs. C. A. Murray, Mrs. Geo. C. Harris, Mr. Briggs and the hostess.

FRIDAY AFTERNOON BRIDGE GUESTS OF R. A. NEBLETTS

Friday evening the members of the Friday Afternoon Bridge Club entertained their husbands at dinner at the West Texas Cafeteria and then were guests in the R. A. Neblett home for a series of games.

Those present were: Mr. and Mrs. Guy Harp, Mrs. J. D. Barker, Mr. and Mrs. Lee Foster, Mr. and Mrs. Bryan McDonald, Mr. and Mrs. Tom Knighton, Mr. and Mrs. J. W. Kleinschmidt, Mr. and Mrs. Dan Sanders, Mr. and Mrs. W. L. Smith, Mr. and Mrs. C. W. Warwick, Mr. and Mrs. Ray Campbell and the host and hostess.

UMBARGER JR. 4-H PLAN PICNIC AT EARLY MEET

On March 18 the Umbarger Junior 4-H Club met in the Umbarger School with Miss Lou Ella Patterson directing the discussion.

Selecting materials, patterns and becoming colors were the topics discussed.

Plans for a picnic at an early meeting were made.

1930 BRIDGE CLUB MEETS WITH MRS. S. L. INGHAM

On Friday afternoon members of the 1930 Bridge Club were entertained in the home of Mrs. S. L. Ingham.

At the conclusion of the games the hostess served cocoanut cream pie and coffee to the eight members present.

MOTHER-IN-LAW CLUB MEETS

The Mother-in-Law Club will meet on Thursday April 1, in the home of Mrs. C. W. Dunn, 1800 4th Ave. All members are urged to be present as the club has some matters to be voted upon.

Communion at the Christian Church

The First Christian Church will have a candle lighted communion service, Thursday evening at 7:30 p. m., and extends an invitation to all followers of Jesus Christ as Lord and Savior to come and participate in the observance of the Lord's Supper together.

According to historical tradition Jesus instituted the observance of the Lord's Supper on Thursday before his crucifixion on Friday.

A service like this should help each communicant to prepart himself by rededication to Christ and his way of life, and make Easter a truly significant spiritual resurrection in his life.

The war certainly made some changes in Army system. For instance, whoever heard of a General willing to be drafted.

I've read many a map, but never found Utopia.

GOP Is Dead Set on Reduction of Income Tax 1948

Republicans in Congress are determined to pass a bill reducing the income levy in 1948 by nearly 5 billion dollars. This comes in spite of the increased demand for more money for European aid, and for a larger armed force.

President Truman will veto the bill, if it is passed.

Congress will likely fail to pass the measure over the veto.

Thus there will be no reduction of income taxes, but the GOPers will have tried. And any attempt at tax reduction is a good political plank!

It's a moot question whether General MacArthur would get the GI vote. But a lot of the boys would be glad to see a full General actually in the fight.

Something New Has Been Added

On one point all health authorities agree — no one can survive and thrive without a continuous supply of sufficient oxygen.

Just before the last war, scientific investigators reported the results of tests of this equipment. They revealed that when oxygen was introduced into the body by injection, PINT DOSES *were more beneficial than hundreds of gallons taken in by normal breathing.*

Disorders of the lower bowel may now be successfully dealt with by the application of oxygen, water, and air—three of nature's oldest and best healing agents.

Administered by a trained technician, using the newest improved equipment and techniques, combined with Chiropractic adjustments, some most dramatic results have been obtained.

Phone 247 for your appointment now. Let's talk over your health problems.

Intersections Are Scene of Most Traffic Accidents

If you insist upon learning traffic laws by accidents, the best place in an intersection.

The most frequent law violation in business and residential area traffic accidents is failure to yield the right-of-way at an intersection, according to J. W. Elliott, Chief of the Texas Highway patrol.

The Texas Highway Patrol is cooperating with a nationwide "Learn and Obey Traffic Laws" program in an effort to familiarize the public with traffic regulations and how they save lives.

Of the traffic accidents which involve two vehicles occuring at intersections, Captain Polk Ivy of the Amarillo District emphasized the law concerning right-of-way at stop streets. The points to remember are:

1. The octagonal sign that says "Stop" means just that.
2. After stopping at the sign, you must yield the right-of-way to vehicles on the through street, unless they are far enough away that you can safely cross.
3. When you are on a through street, you must yield the right-of-way to a car which has stopped at the stop sign and then started to cross in the gap in traffic ahead of you.

Communists in Czechoslovakia staged their putsch, in part, out of knowledge that political trends in that country were going against them, with the prospect that they would have lost the election scheduled for this spring. That election now will be rigged.

Concert Violinist To Appear In Lyceum Assembly April 8

Minas Christian, concert violinist who charmed a West Texas State audience two years ago with a program, is returning to play on the lyceum program April 8, according to an announcement made last week by Wallace R. Clark, head of the Music Department.

Since his appearance here Mr. Christian has spent one summer and one winter in New York studying violin under Joseph Fuchs at the Juillard School of Music. Last September he returned to his home in Wichita, Kans., and has been on extensive concert tours throughout the Southwest. He also teaches violin at the Wichita School of Fine Arts and plays with the Wichita Symphony Orchestra.

He began the study of violin when but eight years of age. He has studied at the Kansas City Conservatory of Music. He has frequently appeared as guest soloist with both the Tulsa and Enid, Okla., Symphonies.

In 1940 he began playing with the Kansas City Philharmonic Orchestra and has toured Europe while in the Army. Also he was soloist with the London Philharmonic while in service.

To quote from the Prairie of April 9, 1946, "seldom have students of West Texas State given more evidence of spontaneous enjoyment than they did at Thursday's assembly." Since this is one of the few lyceum programs so far this year and is a repeat of a popular performance given a while back, all students should thoroughly enjoy the concert.

It will be given as the assembly program Thursday, April 8 at 11 o'clock.

News In Canyon 25 Years Ago

(Taken from the files of the Randall County News of
(March 22, 1923)

Mayor Knight of Hereford talked at a meeting of the Chamber of Commerce, pointing out the advantages to the commission form of government. An election on this proposal will soon be held in Canyon.

W. J. Flesher and Frank R. Phillips represented Canyon at a meeting held in Amarillo of towns interested in securing the location of the new West Texas Tech college. All towns agreed to boost for a location on the plains.

The legislature has passed a bill changing the name of "normal" colleges in Texas to "Teachers" colleges.

So many hot checks are being passed in Canyon that business men have met to stop the practice. T. C. Thompson, O. N. Gamble and W. J. Flesher were appointed to organize the campaign.

The city will build a city hall, fire station and jail south of the American Legion Hall

The legislature passed a law increasing taxes on automobiles. 38 cars were listed. Of this number, 26 are no longer produced.

Victorious Sophomores Capture Eighth to Win Intramurals

Basketball Season Closes With Intramural Finals

Winning a 41-24 victory, the sophomores coached by Joe Abbott, defeated the eighth grade to win the intramural finals.

The Sophomores, who won the championship last year as freshmen, jumped to an early lead and never fell behind in the entire game. Harold Martin, forward, was high-point man of the contest with eleven points. Coach Billy Cleavinger's eighth grade staged a comeback in the last quarter, but was never able to catch up. Ray Burrus, center for the eighth grade, was an outstanding player in the game.

The eighth grade won the right to play in the final game by defeating the Freshman team 16 to 6 last Friday. The Sophomores took the winners bracket by downing the Seniors 14 to 5 last Tuesday.

Eighth Beats Seventh

Reviewing last week's results the eighth grade beat the seventh graders 18 to 8 on Monday. Burrus was high point with 10 points for the eighth. Bourn and Davis were high point for the losers.

Tuesday found the sophomores playing the seniors—the sophomores winning 14 to 5. Martin, McCarter, and Hair were tied for top honors with four each. Marvin Fite racked three for the seniors.

The juniors lost to the eighth graders 8 to 3 Wednesday. Harold Slack was top man with four points. Bryce Slack, Marvin Cornette, and Harry Campfield each scratched one point for the losers.

In a thriller, although the score doesn't indicate it, the slick Freshmen slipped by the Seniors 18 to 7. Morton and McClendon each scored five points to tie for high point man. Burtz chalked up four for the losers.

Eighth Skids Frosh

Friday's crowd saw another exciting game as the smooth eighth graders skidded around the Frosh 16 to 6. Burrus drilled eight points in the basket for the winners. Morton captured the losers high point position with a field goal.

Canyon High will probably have a top team in basketball for several years to come since the three top honors were won by the sophomores, the freshmen, and the eighth.

FOR GOD SO LOVED THE WORLD

Easter is the time of year which we commemorate as the resurrection of our Christ. From the earliest Christian times it has been observed with great solemnity and in the primitive Church, it was one of the special days for the administration of baptism. In olden times the faithful greeted each other with the kiss of peace and the salutation "Christ is risen," to which the response, "He is risen, indeed," was given.

Popular observances connected with the day are innumerable. The use of eggs is one of the oldest, the egg having once been considered a symbol of resurrection.

Since it is again the Easter season, we should all remember the great verse of the Bible, John 3: 16.

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

If the world remembered and believed this, how little unhappiness there would be today.

Lettermen Receive Jacket Awards

Hip! Hip! Hurray! The letter jackets are here. The boys' jackets are colored gray body with purple sleeves and purple and white striped cuffs, and collars made of satin. The girls' are also purple with white stripes down the sleeves with purple with white striped cuffs and colars.

The following received letter jackets for participating in sports this year. For football:

Coach Wheelock, Joe Abbott, James Bible, Co-captain, all district, Dick Barrett, 2nd all district, Co-captain, Wayne Davis, all district, Clifford Burtz, Tommy Hunter, Benny Woods, Wayne Griffin, 2nd all-district, Austell Burrus, all district, Richard Walters, Billy Cleavinger, Jerry Harding, Golden Currie, Jimmie Lindsey, all district and all regional, James Inman, Horace Carter, Wayne Prichard, Bobby King, Jerre Inman, Gerald McDuff.

The basketball girls are as follows: Coach Frazier, Dorothy Butler, Martha Jean Avent, Juanita Avent, Bobby Ford, Barbara McDougal, Loraine Carter, Mary Sue Foster, Bobby Foster, Wanda Edwards, Janey Forester, Joyce Carter, Chloe Ann Black.

"I think the jackets awarded the 1947-48 lettermen in football and basketball are very attractive. I am unable to tell which jackets are the best looking, but I feel that it is a great honor to these fine boys and girls to have the privilege of wearing one of these awards. I am certain that each student receiving a jacket gave his very best for Canyon High School in what ever department he lettered," states Principal J. E. Miller.

WTSC Coach Is Banquet Speaker

For the first time in the history of Canyon High School the Eagles and Eaglettes combined their resources for a single basketball banquet.

The blue room of the cafeteria at West Texas State College was the scene for the festivities last Tuesday night at 6:45 o'clock p. m.

Speaker for the occasion was W. A. Miller, basketball coach at WTSC, who was introduced by the master of ceremonies, Superintendent E. A. Wooten. Basketball king and queen, Horace Carter and Joan Morton were recognized and a film titled "Basketball Shots" was shown.

Approximately fifty guests were present.

The menu consisted of orange juice, baked chicken, gravy, dressing, green beans, hot rolls, butter, ice tea, and pie.

Captain Butler Receives Award For A String

CHS Eaglettes entered the Pampa Invitational Tournament, Saturday, March 20.

The A team was defeated by the Amarillo Sandies in their first game, however they outplayed the opposing team in everything but the talleys.

The final score of the games were 15 to 14. The Eaglettes won the second game 15 to 9 and lost the third 15 to 3.

High pointer was Geneva McDougal with 9 scores. Next was Joan Morton with 7.

After losing their first game, Canyon's A team entered the consolation bracket.

Stinnett was the opposing string in the consolation bracket. The Eaglettes team trampled over Stinnett 15 to 4 and 15 to 2. Geneva McDougal was high pointer with 11 scores.

Pampa and the Canyon A team met in the consolation finals with Pampa winning the first game 15 to 13. The last two victories were 15 to 5 and 15 to 6 in favor of Canyon. Juanita Avent was high pointer with 16 to her credit. Joan Morton was runner-up with 10.

Dorothy Butler, captain, received the trophy.

The Eaglettes' B team played with the Panhandle B team. With outstanding team work, that had never been exhibited during the two weeks of practice, the Canyon B team defeated their opponents 15 to 5 and 15 to 7.

Lorayne Carter with 12 scores to her credit was high pointer. Joanna Haines was next with 5.

In the next game the B team met the Sandies B string and was defeated 15 to 1 and 15 to 4. High pointer was Ema Gene Zachry with 4 and Mary Sue Foster was next with 1.

The Eaglettes will attend the Amarillo Sandstorm Invitational Tournament April 3.

Committees Plan Party for Class

Electing a new vice-president, secretary and treasurer was the object of the class meeting held by the pupils of the 7th grade, March 18th. The people who formerly held these positions have moved away. Sarah Jane Colwell was elected vice-president; Lynn McKinney, secretary; and Doris Jennings, treasurer.

The class voted to have a party Friday afternoon. Members are to come costumed Western style and to play games and skate. Committees to plan this affair were appointed.

It was decided that new members enrolling in the class this semester were to pay dues of 20 cents.

"We are very proud of the fact that the 7th grade has won the one dollar PTA prize for having the greatest number of mothers present so many times this year," said Mrs. Irene Ball.

Joyce Carter, "Coach Carter" acted as coach for the B team during the Pampa tournament while Miss Frazier was coaching the A string.

James Guthrie was seen in CHS Friday noon enjoying the game between the freshmen and eighth grades. James is a freshman at WT.

The third year Agriculture Class is outlining a year's work on beef cattle and hog projects, which will be useful in future years.

Mrs. James E. Miller substituted for Mrs. Bartlett who was absent, due to illness, Friday, March 18.

All Aboard—Shop Class, That Is

This group is working on cedar chests and various other manual work.

Grade Notes

Mrs. Black had visitors in her first grade Monday. They were Mrs. J. C. Newton and Charlene King.

Mrs. T. E. Hugg gave a birthday party to her son, Clifford, and served cake and punch and Easter egg favors. Guests were Mrs. Smith, Clifford's grandmother, Mrs. Marvin Hugg and Miss Fronabarger.

Mrs. Usery had a visitor Thursday. She was Mrs. J. H. Mariner.

Mrs. Murrell's second grade has just finished a food unit and planted a window garden.

Eloyce Money of Mrs. Walsh's fifth grade is planning an Easter party for Friday.

Alma Jean Spencer of Claude enrolled in Mrs. Goodman's third grade. Mr. Michael gave the class an Easter party Friday.

Mrs. Collins' room was given a party to honor the birthday of David DeVaney by his grandmother, Mrs. Odie Fowler. Birthday cakes, punch and Easter egg were favors. The students have been dying Easter eggs Tuesday and will have a hunt Friday.

Mrs. Davis' sixth grade enrolled Nancy Overton from Spearman.

Track Hosts Are Dalhart Wolves

Starting the track season off, Canyon High's thinclads will journey to Dalhart, Friday, to match runners in a duel track meet with the Dalhart Wolves.

This will be the first track meet the Eagles have participated in this season. The track team has been working out for two weeks when the weather was permissible. Twenty-five boys have reported for daily workouts. Three boys from Canyon will take part in each event.

These events are: The 220 yard dash, 100 yard dash, 440 yard dash, 880 yard run, mile run, high jump, broad jump, discus throw, shotput throw, and pole vault. The tennis team will also match points with the Dalhart team at the meet.

Coach R. D. Wheelock's tracksters will leave Friday morning in order to be in Dalhart in time for the duel which will take place at one o'clock.

Larry Overton entered 7-2 on Tuesday, the 16. He comes from Spearman.

Shop Classes Make Various Woodcrafts

Second and third year shop students are now finishing up twelve cedar chests, which they have been constructing the greater part of this year. This work has been paramount to the work of the rest of the shop classes, however, first year students have been making gun racks, book shelves, end tables, stools, tool boxes, tabourettes, and nail boxes.

Fourty-seven boys are included in the shop classes, while the Mechanical Drawing classes are made up of seventeen pupils.

College Band Gives First Performance

As a beginning number of a series of concerts to be given by the West Texas College band, Canyon High School was favored with a program given by this group in assembly last Wednesday morning.

Approximately forty band members compose the assemblage that played the following numbers: "Dark Eyes," "Rhapsody in Blue," "Count Basie Bounce," "March" composed by an agricultural professor of Texas A&M College, and "Beguine," a trombone solo, by Bill Latson.

"I'm quite eager to see Canyon High School have one of the best bands in this part of the state, and your new band director, Mr. Herman Demus, is entirely capable of building up just such a band. We folk at the college shall be glad to help out in any way possible to achieve this end," states Mr. Jerry Newman, director of the variety band.

Eleven Contribute Special Orations

Highlighting assembly Wednesday, eleven CHS students gave talks on refinement.

These talks grew out of a program initiated by Mr. J. E. Miller, principal, whereby each student in school was required to write a theme on refinement and give it before their first period class.

The best themes were chosen by popular vote of the students.

Speeches were given by Rita Gunter, Clifford Burtz, Joan Morton, and Billie Money of the senior class; by Bryce Slack, Mable Graham, and Don Hickman, juniors; by Marion McReynolds, sophomore; by Melva Martin, Freshman; by Teddy Howell, eighth grade; and by Lynn McKinney, seventh grade.

The senior class of Happy directed by Mrs. Collins was here also to give skits for the senior play at Happy.

Players Feature '48's 'New Look'

Playing a most inspiring game, the Eaglettes dropped their last game of the season to the powerful Eagle team. The score was 38-.8

Jumping to 1-0 lead, the girls fought bravely against a team with greater height. Little Joe Abbott led the "new look" clad with 8 points to his credit. High point girl of the contest was Martha Avent who led the levi clad with three points. Highlighting the game was the boys' "new look" which was various and sundry things in the style of dress. In the "new look" features, center Austell Burrus wore a "tight" skirt with a "lovely" hat which gave him that "adorable" look. Richard Walters featured a "wrap around" skirt and a loose blouse. "Burley" Jimmie Lindsey modeled a "short" skirt with a Chinese red blouse. Jerre Inman was the "cutest" man on the court with his "girlish" looking skirt and blouse.

The girls featured the boyish looks in actions, playing and dress. Time-outs brought purses and lipsticks for the boys and a few changes in dress. The last quarter was played roughly with the girls losing most of their prestige.

Proceeds of this game went to the funds for the basketball banquet which was held Tuesday.

Spring,
Spring,
The Robins on the wing
Sing.

Yep, old Cal Shakespeare is back with cupid on the brain, along with spring fever, and some of the latest:

All this pretty weather brought up two new pairs who are going steady; Juanita Avent and James Inman, Donnell Ruthart and Betty Miller. Congratulations, you all.

And what about Troy Burrus and Pam McDonald. They had a date Sunday night, that's what!

Barbara McDougal and "Frenchman" Lewis Martin from Dimmitt had a very good time in Amarillo recently. But there's one thing we'd like to know—who is Katie Buckmaster?

Saturday night saw Betty Jean Graham and Don Johnson at the show. Also J. N. Pope and Lois Harden, Tommy Dotsen and Anita Ruthardt. Hmmmmm.

Has anyone noticed Juanda Jean Edwards, pencil? It's really a beauty. It even has all her boyfriends' names all over it. Nice!

Rusty Davis was seen escorting Martha Jean Avent somewhere Sunday night. Incidentally, they have exchanged class rings.

What's this new romance between Buck Risner and Weedon Young? Just wanted to know.

Someone told me that Dorothy Butler really played shark-like volleyball in the tourney at Pampa. Especially, after Bob Donavon got there.

Fay Gunter and Donnie Stroup really keep the phone line busy. Who is the unfortunate person who pays your bills.

Well, la te da—Jean Hill surely did look cute in front of the school house in the waste basket Monday didn't she, Dick?

Lorayne Carter and Mary Sue Foster seemed to be enjoying some "out-of-town" company Friday night and Sunday afternoon. Tell us girls, who was it?

W. T.'s Norman Stone and Mary Ann Sloan seemed to be renewing old acquaintances.

Who is that cute freshman girl who wants to go with Albert Craig? Take heed, Albert!

"Parting is such sweet sorrow"—Shakespeare.

"Good-bye, goons"—Cal.

Graham Is FHA Prexy

Officer Will Be Betty Erwin

Erwin, Graham, Erwin Go April 23 to Galvesotn

At the annual spring area meeting of the Future Homemakers of America held Saturday, March 20, at Plainview, Mable Graham, CHS junior, was elected area president for the year 1948-'49. Mable has been very active during her high school career. Some of the activities she has participated in are Spanish Club, two years; FHA, three years; treasurer of the choir; Sergeant at Arms of FHA; choir, three years; band, two years; sophomore president; junior favorite; and a member of the junior play cast.

Recording secretary for the coming year will be Betty Erwin. Donna Erwin was selected as the alternate candidate for State president of the Future Homemakers. Voting delegates from Canyon were Betty Erwin and Wanda Jean Edwards.

Upon arrival, the twenty-six guests from Canyon were registered and all guests were honored with a mid-morning tea. Approximately 1200 girls and sponsors from fourteyone schools registered.

Meeting to Promote Interest

The purpose of the meeting was to promote interest in homemaking and the organization of the Future Homemakers of America. Girls from ten schools gave speeches on the FHA, its purpose, and its achievements. The topics and the towns the girls represented are (1) Developing Our Organization, Olton; (2) Improving Ourselves, Matador; (3) Training For Leadership, Lockney; (4) Promoting International Good Will, Hale Center; (5) Cooperating for School Betterment, Cotton Center; (6) Improving Home and Family Life, Sudan; (7) Serving the Community, the State, and the Nation, Abernathy; (8) Preparing for Careers, Floydada; (9) Promoting Recreational Activities, Littlefield; and (10) Degrees of Achievement, Chillicothe.

Entertainment for the afternoon consisted of special music and a style show. Gladys Lowe and Mary Ruth Hill, models from Canyon, showed their afternoon and tailored dresses which were made in class.

Canyon Girls Attending

Girls attending were Billie Thompson, Betty Jean Hutchinson, Nelda Gillham, Juanita Prichard, Peggy Jean Moore, Martha Wilson, Jean Hill, Janey Forester, Betty Erwin, Bertha Lindsey, Mary Ruth Hill, Ava Dooley, Marsalete Wilson, Gladys Lowe, Donna Erwin, Merle Bullard, Mable Graham, Wanda Jean Edwards, Gladys Thomas, Verna Davenport, Lois Collins, Elaine Fisher, Cecelia Bosley, Sammie Pond, June Chain, Bettie Slagle, and Mrs. Perry Bell, sponsor.

A state meeting will be held in Galveston April 23-24. Donna Erwin, Mable Graham, and Betty Erwin plan to attend.

The Junior Class held a meeting Tuesday, the 23. They chose the theme of the Junior-Senior Banquet which cannot be revealed as yet.

Luncheon guests in Canyon High, Friday, were Mesdames Dan Sanders and Ed Harrell.

BOX SUPPER PLANNED BY CENTERVIEW H. D. CLUB

"Do not buy a cheap pattern to make up good material, when a good pattern costs only a few cents more and is accurate," said Miss Lou Ella Patterson to the Centerview Home Demonstration Club when it held its meeting in the home of Mrs. G. E. Wesley on Friday, March 19.

After the business meeting was conducted by the president, Mrs. Lester Bryan, the program was turned over to Miss Patterson, who fitted a pattern to Mrs. H. H. Shipman. As Miss Patterson could not meet with the club in February, she also gave a demonstration on landscaping.

The club members voted to have a box supper on the night of April 2 and invite the candidates of the county.

Refreshments were served to the following: Miss Patterson, Mrs. Lester Bryan, Mrs. T. J. Myers, Mrs. H. H. Shipman, Mrs. J. W. Wesley, Mrs. A. E. Wise, Mrs. Rayford Shipman, Mrs. E. W. Schaeffer, Mrs. John Patterson and the hostess.

BISHOP - LIGHT RITES READ IN FARWELL THURSDAY

On Thursday afternoon, March 18, Mrs. Marie Bishop and Mr. Travis Light were united in marriage in a single ring ceremony in Farwell, Texas.

The couple was accompanied by Jimmie Moore and Mrs. Grace Gifford.

Mr. Light is a cook and Mrs. Light a waitress at Carle's Cafe.

EDGETOWN H. D. CLUB MEETS WITH MRS. E. B. ANTHONY

Mrs. E. B. Anthony was hostess to the Edgetown Home Demonstration Club Friday, March 12. Members answered roll call with fitting problems each had.

Mrs. C. H. Stratton had charge of the opening exercise. After the song, "Church in the Wildwood" was sung, the collect for women was read by the group.

Mrs. J. H. Wright, president, conducted a short business session, during which she read a short council report.

Miss Patterson gave a demonstration on using commercial patterns, Mrs. H. E. Campfield being fitted for a dress she was making.

Delicious refreshments were served to the following members, Mrs. R. E. Gill, Mrs. T. T. Fain, Mrs. J. C. Dowd, Mrs. Jesse Reid, Mrs. J. R. Sharp, Mrs. Henry Sparks, Mrs. C. W. Dunn, Mrs. J. H. Wright, Mrs. Penny Cox, Mrs. Campfield, Mrs. Cynthia Anderson, Mrs. C. H. Stratton, Mrs. M. E. Sorgee, Miss Mabel Soloman, Miss Patterson and the hostess.

The club will meet with Mrs. Cynthia Anderson, March 26.

MRS. EUGENE BOND HOSTESS TO JOWELL H. D. CLUB MEET

The Jowell Home Demonstration Club met in the home of Mrs. Eugene Bond on March 17.

"My Wild Irish Rose" was sung and roll call was answered with fitting problems to open the meeting. Miss Patterson gave a demonstration on using commercial patterns.

Refreshments of sandwiches, cake and iced tea were served to members, Mrs. Culp, Mrs. Gooch, Mrs. Elliott, Mrs. W. F. Bonds, Mrs. Hinders, Mrs. Barrett, Mrs. Roy Byrd, Jr., Mrs. John Robinson, Mrs. Edgar Robinson, Mrs. E. C. Robinson, Mrs. Davis, Mrs. T. G. Bonds; visitors, Mrs. Everett Culp, Mrs. H. E. Campfield, Mrs. Edna Moore, Mrs. Joe Byrd, Mrs. G. J. Bonds, Miss Patterson and the hostess.

The next meeting will be with Mrs. S. G. Elliott on April 7 at 2:30 o'clock.

Francisco Pizarro was the Spanish conqueror of Peru.

BROWNIE GROUP NO. 10 HAS INITIATION CEREMONIES

Brownie Scout Troop No. 10 had their initiation ceremony March 10 at their regular meeting place, the second grade room at W. T. Demonstration School. Ten received their pins and repeated their pledge. They are: Barbara Jane Brown, Emma Liston Coleman, Betty Jean Graham, Patricia Ann Hardaway, Beverly Henson, Mary Louise Higdon, Letha Sheets, Nina Stallings, Carol Lynn Turner and Mary Whaely.

Delicious refreshments of sandwiches, Cokes and punch were served to Mrs. O. L. Coleman, Mrs. Virgil Henson and Mrs. W. A. Graham to the Troop, their mothers and special guests, Mrs. Sligar, Miss Ruth Lowes, Dorothy Ann Higdon and Marion Henson.

On March 17 three second grad girls, Connie Wilkins, Mary Gladys Marshall and Joyce Barker were initiated into the Brownie Troop No. 10. These girls had been absent on the March 10 initiation.

Guests were Mrs. Wilkins and Mrs. Marshall.

Cheerios were served as refreshments.

Landmark Sold, To Be Moved

To allow for a widening of the street in front of the English Building, the white house which has for many years has served as a landmark on the campus has been sold and will be moved this spring.

President J. A. Hill announced last week that they planned to build somewhat of a boulevard there to alleviate the traffic jams which occur daily in front of the English building.

A sidewalk will also be laid there to keep students from having to walk in the street, he said.

Hugh Renfro, a maintenaince man on the campus, who now occupies the house, is the purchaser.

BOYCE HOUSE
"Gives You Texas"

A few weeks ago, your columnist went to Little Rock to speak at the state hardware convention. I hardly knew I was outside of Texas because the newspapers there featured the visit of scientists to the McDonald observatory, out in the Davis Mountans, to study the green spots on Mars; the trial of a man accused of having murdered his bride, whom he had married in Abilene, and the Texan, an ex-marine, who stabbed a burglar to death in Chicago.

And a touch that reminded one further of Texas was an ad which read, "World's Biggest Hot Dogs."

Of course, Texas has the biggest in just about every line; that Arkansas advertiser must have been newly arrived from Texas and hadn't yet got over his Texas habits.

From the business district of Little Rock, when you look toward the Capitol, because of a hill in between, you see just the dome, apparently hanging in space.

You can walk across a bridge over the Arkansas River. As a boy, I seem to remember the big stream as having two or three steamboats puffing up and down, with others moored at the wharf. But, the other day, there were just two barges and a houseboat in sight.

And I've never eaten finer fried chicken than at a Little Rock cafeteria—Mrs. Atkinson's. It melts in your mouth like ice cream—only ice cream doesn't have as good a flavor as that fried chicken.

In early days, the sight of a "benzine buggy," as the auto was known, scared horses. A man explained, "When a horse sees a buggy running down the road with nothing pulling it, it's as if a man was to see a pair of empty pants run by him. Wouldn't that scare you?"

$40,000 Is Needed Texas Battleship To Provide Berth

The old Texas Battleship is on its way to Houston where she will be berthed in the Houston ship channel at the San Jacinto Battleground.

The expense of bringing the battleship to Houston and fitting her up for an historical display will be $40,000.

This amount is now being raised by the people of Texas who are interested in preserving the old ship.

Every Town Is In Need House Cleaning April 4-11

"A good old fashioned spring house cleaning in every city and community in Texas would do a great deal toward furthering good health in this state," Dr. Geo. W. Cox, State Health Officer, said today, in urging all communities and cities in the state to cooperate in Texas Clean-Up Week, April 4-11.

A general clean-up program of state-wide proportions with the objective of bettering health conditions for our citizenship should include surface cleaning, drainage, the graveling of streets and alleys, the cleaning of all parks and playgrounds and the clearing of weeds and rubbish off of vacant lots.

The destruction of mosquito breeding places and rat harborage, the proper disposal of garbage and trash and the general cleaning up of all premises will be, said Dr. Cox, "of inestimable value in helping to keep down summer health hazards such as dysentery, typhoid and poliomyelis. Good community housekeeping and ordinary sanitary measures require the prompt removal of all waste matter in and around yards and homes in order to abate the danger of such diseases, and insure good health protection throughout the State."

Dr. Cox stressed the fact that many dangerous diseases are filthborne, and the only possible way to control them is to eliminate the insanitary conditions responsible for their spread.

School Patrons

If you have, or know of a child whose sixth birthday comes between last August and next September and his name has not been taken for the school census, please drop me a card at once—giving name and address.

I am sure there are a number of six year old children that I have missed.

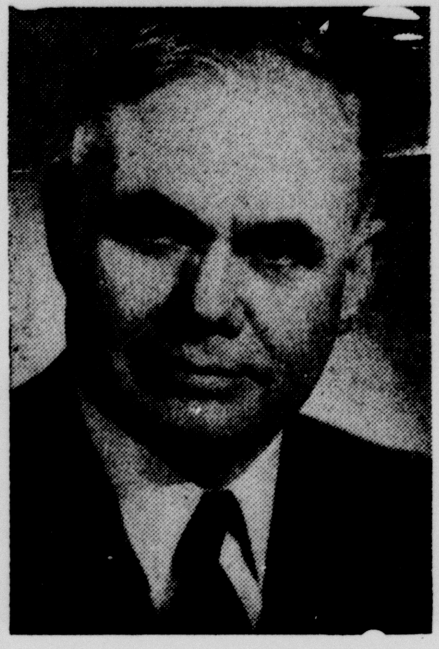
Or if you know of any child of school age, 6 to 18, who has not been enumerated won't you please let me know.

Each one may mean $55.00 for our school. Let's get them all.

S. B. ORTON

Canyon Independent School District

Dallas Evangelist For Baptist Revival April 11 to 25



Dr. C. B. Jackson of Dallas, evangelist with the Evangelistic Department of the Baptist General Convention of Texas, will be the preacher for the revival to be conducted at First Baptist Church in Canyon, April 11 to 25, according to announcement of Dr. Roy L. Johnson, the pastor.

This is one of more than a hundred revivals being conducted in Baptist churches over a 22-county area on the Texas plains at the same time. This simultaneous revival effort will be under the general direction of Dr. C. Y. Dossey who will preach at Lubbock during the period. Dr. Jackson will give general direction to revivals in Tierra Blanca Association, touching Randall, Deaf Smith, Parmer, Castro and Swisher counties.

Pappy Says No One Knows His Future Political Plans

Carr P. Collins came out with a challenging to the people of Texas to defeat Senator Pappy O'Daniel. Carr has supported Pappy since he got into politics.

Pappy reported that Carr is too previous. That he has not announced and no one knows his political future. All of which is true.

Wayside News

Sister Cox of the Assemly of God Church, Amarillo, filled the pulpit Sunday morning, and will be back with us the 4th Sunday in April.

Everyone is invited to the Sunrise Easter program next Sunday morning beginning at 6 o'clock. Each family will bring and cook their own breakfast and eat after the program. The place is 3 miles north and 1 mile west of Wayside. We are expecting a large crowd.

Mr .and Mrs. John McGehee celebrated their 51st wedding anniversary Sunday. All their children except one son, Lowe and his family, were there.

Mr. and Mrs. Duke are entertaining a new daughter at their house.

Mr. and Mrs. Benny Lee Newby have gone to Wise county to be with his mother, who is ill.

Mr. and Mrs. Dan L. Adams spent the Week end in Littlefield.

Mr. and Mrs. Kotton McGehee and M. L. and Mrs. Esther Allbrook, all motored to Canyon Sunday afternoon.

Mr. and Mrs. Willie Modisette and son, Royce, were in Happy last of the week.

Mr. and Mrs. Bill Stockett were Tulia callers Saturday afternoon.

Willis Fisher is sporting a new Ford car.

Mr. and Mrs. Joe Rogers and Carol Dean spent Tuesday night with Mr. and Mrs. Archie Love near Hereford.

Mr. and Mrs. W. R. Franklin and Mrs. Agnes Stockett were Amarillo callers last Monday.

We might have known all along that President Truman would run. Nobody makes improvements on a house he's going to move out of.

MARKET YOUR WOOL

with the Organization that gets you full value and that has

1. Capable wool men to prepare your wool for market
2. Fine facilities for handling
3. The organization to furnish a good service
4. A non-stock, non-profit organization which works solely for the growers interests.

WRITE FOR FREE BOOKLET "How Wools are Marketed"

Tells how wool is graded, accuracy in weighing; gives factors which set the value of wool and how these factors are arrived at; explains how to ship, how to join Midwest at no cost. Write Today to
